You can wash them as often as necessary—just dip them up and down in the thick, creamy, cleansing Lux lather—no rubbing or twisting—no shrinking or matting of the wool fibers. They'll always come out of the Lux wash as soft, lacy and brightly colored as when new. All silks and delicate fabrics can safely be washed with Lux suds—they harm nothing that pure water itself may touch. LEVER BROTHERS LIMITED, Toronto, Ont.

Reports that the Pope would leave the Vatican grounds have appeared many times since the Pope lost his temporal power. During the reign of Pope Benedict, the question was brought up first last June when the Vatican issued a denial to a report in Spanish newspaper that the Pope would leave Rome for Spain.
