EASTER SERVICES

The services in St. James' Church on Easter Sunday were of an inspiring character. The church was beautifully decorated with cut flowers and were arranged very artistically. The music was very bright and showed that pains had been taken in the practices. It was of a high order, and was most gratifying as to results. The choir, led by the organist, quite excelled itself. The music will be repeated at both services on Sunday next. The sermons of the day, that in the morning, dealt with the Angel's message, "Fear not ye, for I know that ye seek Jesus which was crucified," and that in the evening, dealt with the "Master's Call." The offertories were exceedingly good. In the afternoon a Children's Service was held, when the children presented their Lenten offerings which amounted to over twenty-five dollars.

At four o'clock a baptismal service was held when two received the holy rite.

There was a large number attended the celebration of the Holy Communion at the 7, 9 and 11 o'clock services, and the congregations throughout the day were very good.

Mrs. D. A. Campbell, 22 Chebucto Road, Halifax, writes:—There was not a bit of pain or soreness after I applied Sure-Pop Corn Cure to a corn that had troubled me greatly for three years. In two days the corn came out and I have never been troubled with it since. 25c. at dealers or by mail post paid. F. C. Mullaney, Kentville, N.S.
