

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, gone!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

The best kind of a testimonial—

Zutoo

Regarding your Zutoo Tablets I beg to
say: I have been a sufferer from head-
ache since childhood and have used all
or nearly all of the so-called "cures" on
the market, till I was cured by my physician
to discontinue their use on account of
their bad effects on the heart. Some
months since my attention was called to
your Zutoo Tablets and I have been us-
ing them ever since with the most grati-
fying results. I find they cure a "sick"
or "nervous" headache in a few minutes
and leave no bad effect. My family use
them whenever needed with equally good
results. I have frequently given them to
friends who were suffering from head-
ache and they never fail to give quick re-
sult. I find them a good remedy for
"sour" stomach as well as headache. I al-
ways carry them in my grip on the road
and would not be without them at any
cost.

Loss of Appetite

A person that has lost appetite has
lost something besides—vitality, vigor
and tone.

The way to recover appetite and all
that goes with it is to take Hood's
Sarsaparilla—that strengthens the
stomach, perfects digestion and makes
eating a pleasure.

Thousands take it for spring loss of
appetite and everybody says there's
nothing else so good as Hood's.

A Girl's Twenty Dollar Salary

"After all is said and done, twenty
dollars a week is no mean competence
for an independent woman," says Miss
Harriet Martin, writing in the New
Idea Woman's Magazine for June on
"Spending a Twenty Dollar Salary."

She goes on to show what may be done
and how a girl may live on this amount.
Her first girl is starting from the
beginning and spends \$150 on furniture
out of her yearly one thousand and
forty dollars, \$120 on clothes, \$216 on
food and gas, \$276 on rent, \$35 on
amusements and \$100 on incidentals,
and saves the remaining \$143. Miss
Martin's woman readers who them-
selves can earn twenty dollars a week
or more will doubtless differ greatly
in opinion as to the fundamental
rectitude of this division. As for
those who can earn less than this
amount, they will doubtless declare
that here is no problem
at all—that the real crux
of the question arises when food, rent,
clothing and incidentals have to be met
out of a weekly salary of \$15, \$10, or
even less.

If you are not troubled with rheu-
matism, and never have been, be
thankful, and take good care of your-
self. If you are a
victim of its torturing
pains do not be dis-
couraged. You are
not doomed to go on
suffering forever, because there is a
sure and speedy cure for you in Tuck's
Rheumatic Bone Oil. Perhaps you
have tried a lot of patent medicines
and now have no confidence in any.
Do not condemn this until you have
tried it. We have such confidence in
it that if you try it and it does not cure
you we will refund your money. It is
a powerful, penetrating oil that acts
directly on the bone—the seat of the
disease—and has brought deliverance
to so many that we have no hesitation
in saying that it will deliver you.
Here is one case:—

Dear Sirs—I am free from rheuma-
tism today because I used Tuck's Bone
Oil. I had rheumatism in my hands
and feet and thought at one time that
my life was going to be ruined by it.
I consulted a doctor and tried various
remedies, but while some of them that
I took internally made me feel better
for a time none of them took the pain
away. After I had suffered for six
months or more doctoring all the time,
I was advised to try Tuck's Rheumatic
Bone Oil. I did and I never can be
thankful enough to the man who told
me to get it. I had not used a bottle
until I was better and before the second
one was done my joints were loosened
up, the pain was gone and I was well.
Tuck's Bone Oil did it. That was six
years ago and I have not been bothered
since.

H. S. Brown, Merrickville.

For rheumatism, lame back, neur-
algia, sprains, coughs, colds, quincy
or bronchitis, in short for any and all
kinds of inflammation there is nothing
to equal Tuck's Bone Oil. A bottle,
should be on the shelf in every home.
For sale by all medicine dealers at 50c
a bottle or sent prepaid by The Tuck
Bone Oil Co. Limited, Smith's Falls,

Additional Loal

Mr. C. J. Banta, Mrs. Banta and
Miss Banta of New York arrived last
week and are now installed in their
pleasant island home at Charleston
Lake. They are always among the
first of the summer visitors to arrive
and this evidence of their loyalty to the
lake is viewed with pleasure by others
who have established homes there.

Next Sabbath (17th) is "Children's
Day" in the Plum Hollow church and
the service, beginning at 10:30 sharp,
will be practically in their hands. All
are welcome and the little ones deserve
a full house, as they are taking special
pains in preparation. The object of
their offering is a weak Home Mission
interest, information of which will be
given at the service, and in this
offering they would be pleased to have
generous assistance from all the con-
gregation.

Lyndhurst's surroundings are ideal
for picnic purposes, and this fact alone
will influence many families in deciding
to go there on July 12th. The build-
ings on the exhibition grounds are
large, and at tables in the main build-
ing hundreds can be seated and served
in an orderly and efficient manner.
At "Uncle" Thomas Pounder's picnic
nearly a thousand were served without
the slightest friction. All the people
of Lyndhurst are behind this celebration
and its success is assured.

A Snake Story

We don't like to tell a snake story
about Charleston Lake, for, as a matter
of fact, snakes are few and far between
at that popular resort, but this little
event actually happened there, so here
goes: While paddling along the shore
of the lake, Mr. Fred Ritter of New
York, noticed something peculiar pro-
jecting from a hole about thirty feet up
a stub that leaned slightly over the
water. He had not seen any bears or
wildcats for the last hour, so he decided
to try his aim at this object. He fired,
and about four feet of snake shot out
of the hole and fell into the water. It
was dead, and after pulling it out he
noticed an unusual distention at one
point, and on cutting it open he found
that the snake had just made a meal of
three well-fledged young woodpeckers.
No, gentle reader, the birds didn't
begin to sing—and this snake story
stops right here.

Men's Suits from \$8 to \$14

We call "United" brand, because a number of S.-R.
agents have "united" (joined together) and are buying
cloths direct from the old country mills, thereby saving
from 25 to 50 per cent on the cloth. They then get
Semi-Ready Co. to make up these cloths into suits.
The finished article is a "United" Suit—prices from
\$8.00 to \$14.00.

And, sir, if you purchase one of our "United suits,
you are wearing clothes that cost you from \$3.00 to
\$5.00 less than you would have paid for them any
where else.

We don't ask you to believe this

but we ask you to find out for yourself whether it is
true or not. If it is not true, **we are liars,**
and you may call us such, if you find us to be such.

Every one of our United suits are made from old
country Bannockburn tweeds (twisted wool), and not
an inch of shoddy or cotton in a mile of the cloth.

We want to convince you

Are you ready? Are you?

United suits for men from \$8.00 to \$14.00.
Semi-Ready suits \$15.00 to \$30.00.
Youths and boys (United) \$2.50 to \$15.00

We pay one way to Brockville
if \$10.00 of goods are bought.
