CHATHAM, ONT.

Stands unrivalled among Canadian business schools, both as to its course of instruction, and the assistance it gives its graduates in placing them in good positions.

302 of our pupils secured good positions in the year ending Sept. 1st.
Since our last list was prepared, which appeared in a recent issue of this paper, nearly 40 others have been placed. Pressure of business has prevented us from getting it ready for this week, but watch for it next week.
