TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Dandruff right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge.

There is nothing so destructive to the hair as dandruff. It robs the hair of its life, its strength and its very life eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Dandruff from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Dandruff. Save your hair! Try it.

More Food Required for the Starving Belgians

The Committee in Belgium who has charge of the distribution of all relief supplies, has made another appeal for food for these people. It is estimated that it will take \$6,000,000 per month until Spring to give these starving millions two meals of soup and bread per day. New Brunswick has done well, over twenty cars of food and clothing and \$12,000 in cash has already been sent forward, but a special appeal is now made by the provincial committee for cash to buy food in large quantities wholesale to load the Admiralty Steamer "Trenegies" sailing from Halifax about December 25. The Committee has on hand about \$11,000 that will be invested in food stuff at once but more is urgently required. The Belgians are starving and we must redouble our efforts promptly. Have you sent what you can? Send cash contributions to James H. Frink, Mayor of St. John, Treasurer, and address all communications to James Gilchrist, Secretary, P. O. Box 204.
