Frayer-Norris

The marriage was solemnized in Victoria on December 17th of Company-Sergeant Instructor Lauren W. Frayer, of the Canadian Army Gymnastic staff, to Miss Nora Norris, of Sidney, B. C. Mrs. Norris will make her home in Vancouver during the absence of her husband, who left on December 26th for Siberia. Sergeant-Major Frayer has been transferred at his own request to the 260th Siberian Rifles of the Canadian Siberian expeditionary force.

Geoffrey H. Walton, the well known resident of Richmond Road, Saanich, and proprietor of the Sidney Lumber Mills, has acceded to the request of a deputation of Ward 1 residents to offer his services as Councillor for the year 1919. Mr. Walton is well and favorably known as an energetic business man, and is the bulwark of the Sidney Board of Trade. Mr. Walton's candidature for municipal honors makes a contest in Ward 1 certain, as F. Terrell is already in the field.

Mr. Mayhew, manager of the Sidney Rubber Roofing Company, visited Vancouver last Monday.

We are very pleased to announce that Mr. Stacy, of the Rubber Roofing Company of Sidney, is recovering from his recent indisposition and is back in harness again.

The condition of Hon. C. C. Ballantyne, Minister of fisheries, so well known and highly respected in Sidney, is reported to be much more favorable than has been the case. Mr. Ballantyne is in the Royal Victoria Hospital, where he was operated on for appendicitis. Dr. George Armstrong and Dr. W. F. Hamilton found considerable improvement, though his temperature is still high. Dr. Hamilton, on Tuesday last after his visit, was able to say that the prospects for recovery had greatly improved.

We are glad to see Mr. Sutherland around again after his severe illness.

We regret that Mr. A. Nunn is still away from business owing to illness. We are pleased that the latest accounts state that he is recovering, and we hope to see him around speedily.

Master Dick Cochran is still very ill but at the last report was better. We extend our sympathy to Mr. and Mrs. G. Cochran.

The news that the Rev. T. C. DeBarres, the Anglican minister in Sidney, has tendered his resignation and will be leaving Sidney in May, will be heard with genuine regret, not only by the members of his congregation, but throughout the whole district. Mr. DeBarres has been for many years in Sidney and has won universal esteem, and a very great regard for his high ideals, as a minister and as a citizen, by his genuine interest in all that tended for the promotion of the welfare of the residents of North Saanich. Mr. DeBarres hopes to proceed to England. Mrs. Des Barres, who has made many friends, will be missed equally with her highly respected husband.

At her residence at Keating, Saanich, on Wednesday last, the death occurred of Susannah Cruse, aged 74 years, relict of the late Oswald Edward Cruse. Mrs. Cruse was born in Sheffield, Ontario, and had lived at Keating for the past ten years. She is survived by one daughter, Miss Clara A. Cruse at home, five sons, O. E., George H. and Richard C. Cruse, of Saanich, Leonard D. of Kootenay and Jaffray W., of Parkville.

The funeral of Mrs. Susannah Cruse of Keatings took place last Saturday from the residence, where service was taken by the Rev. A. E. Nunns. There was a large attendance of friends and many floral tributes covered the casket. Interment made in Shady Creek cemetery, Saanich. The following acted as bearers: Messrs. H. Lawry, J. G. McKay, R. Genge, T. F. Gold, George Stewart and P. H. Kirkpatrick.

Sidney soldier boys who have returned during the past week are Mr. Geo Reid and Mr. M. O. Norton.

Mrs. W. C. Anderson and Mrs. E. Anderson, who have been visiting Sidney for some months past as the guests of Mr. and Mrs. C. C. Cochran, Roberts Point, left Sidney on Tuesday for their home in Boston, Massachusetts. As is generally known, Mrs. Anderson is the mother of Mrs. Cochran, and both she and Miss Anderson, Mrs. Cochran's sister, have made many friends during their stay and have identified themselves in every way possible with the social and patriotic movements of Sidney and district. The Review extends to them its best wishes for a pleasant journey.

Mrs. Stanley J. Brethour attended the St. Andrews Ladies' Guild on Wednesday afternoon.

We much regret, in common with many others when they learn the news, that Mr. Edwards received a telegram on Tuesday last announcing the death of his eldest son at Dauphin, Manitoba, from influenza.

MILITARY 500 GREAT SUCCESS

Last Monday evening a very enjoyable military five hundred party was held at Resthaven Convalescent Hospital. Mr. P. N. Tester kindly took several of the out in one of his motor trucks, and other smaller parties went in their own cars.

There were twenty-five tables at cards, and the first prizes were won by one of the nursing sisters and three of the returned soldiers. The consolation prizes were the cause of much merriment, especially a baby's comfort, won by a returned soldier.

A large number of local people were present, as well as several well known Victorians, among the latter being Mr. and Mrs. M. Steele and Mr. and Mrs. J. D. Carlin.

At 10:30 light refreshments were much enjoyed, and at 11 o'clock, owing to military regulations, the party came to a close much to the regret of everyone. It is hoped that the dancing, which was missed then, will take place at another affair in the near future.

The committee in charge has requested that its thanks be expressed to Mr. Steele, whose able management of the entertainment contributed to the enjoyment of all present.

Sidney Board of Trade

Local Members Invited to Meet Board

To Discuss Urgent Public Questions

A meeting of the Sidney Board of Trade was held on Tuesday evening last, Mr. F. J. Roche presiding. There was a full attendance of members.

Reports of Committees

The Health Committee reported on their work in connection with the influenza epidemic. The Board passed a special vote of thanks to Mr. J. J. White, Mrs. Tester, Miss Arkell, Miss McLennan, Miss Morley, Miss Lewis for their services as voluntary nurses during the epidemic. Also to Miss Lorna White, the Rev. F. Letts, the Rev. A. E. Stevenson for conveying Dr. Bavis in their cars round the district.

Resident Medical Man for North Saanich. The question was discussed and the secretary was asked to take steps to bring this question before Mr. Jackson.

Sidney Mail Service

Another important subject dealt with was the inadequate mail service for Sidney, and the Secretary was asked to write to Mr. McIntosh to get him to use his influence at Ottawa in the matter.

Local Questions

In view of the calling together of the Dominion Parliament and the Provincial Legislature it was thought the time was opportune to invite Mr. J. C. McIntosh, M. P., also Mr. M. B. Jackson, M. P., to meet the members of the Board of Trade, at which questions of local interest and urgent importance could be discussed. The following subjects were decided upon to be brought before them: Public Building, Mail Service, the Wharf and Breakwater, the continuation of the permanent road from Bazar Bay to Resthaven, the roads of the District and Ditches.

The speakers were nominated to deal with each of these subjects. This meeting will be open to present members of the Board and any others who may join before it takes place. A Refreshment Committee was appointed, the members of the Board agreeing to assist the Committee individually in supplying light refreshments.

GOING STRONG

The family Herald and Weekly Star of Montreal is having the best year in its history. Their subscriptions for the month of November exceeded by almost 200 per cent. the same month of any previous year. December will also be a record breaker. The Family Herald Publishers are perfecting plans for elaborate improvements. The public should not confuse that great weekly with a small daily paper of somewhat similar name now in liquidation. There is no fear of such a thing happening with the Family Herald. The word "Family" should not be omitted in the address of that paper. We are informed that their offer of a War Album free to all who subscribe still remains good, but the demand is so great that it may have to be withdrawn soon. The Family Herald is big value and the Album is most attractive, so it is no wonder they are securing thousands of new subscribers.

Mr. Henry Brethour has been busy this week unloading a carload of tiles for his farm on the East Road. He has been assisted by Messrs. Sam and J. S. Brethour.

Mr. Julius Brethour left Sidney today for Vancouver, accompanied by his grandchildren, Beth and Isabel Joyce, who are returning to their father, Mr. Joyce, in Saskatoon.
