a London family. A corner of a gang purposed threwing a bomb room constitutes the house of many a family around the Seven Disls. A family for each corner and one for wich arsenal is a cab. Its nature family for each corner and one for wich arsenal is a cab. Its nature the centre of each room, and two or was not then known and it was three renting the stairs, are the tenants of Drury Lane's squalid courts.

Victoria, Defender of the Faith, Sovereign of Great Britain and Ireland, Empress of India, has lately land, Empress of India, has lately land a new title conformed upon her.

Of correct its not known public.

"sticks and stones" and "senseless things" as one of the deities of a tribe of Orissa, India. These poor auperstitious heathen finding there was some far off power which spread its influence away among them, and secemed divine by the glory they had heard of it, and the reverence that was paid to it, regarded it as suit this will be a loyal tribe. The national affection for the Queen has not yet taken just the shape it has in Orissa, but there certainly was never a time when royalty was mover no tentering the womanly, homely utterances and deeds of the queen, it could hardly be otherwise. Shortly efter the re-taken the forms and success of the queen the taken. Shortly efter the re-taken of the trought the content of the police were in possession of much greater knowledge than is made deeds of the queen, it could hardly be otherwise. Shortly efter the re-taken the police, holding them up as worthy the content of the trought the trought the trought of the trought the trought the trought the content of the police, holding them up as worthy the forms the trought be otherwise. Shortly after the return of the troops from Egypt, the
Queen made a present of several
quilts to the military hospital where
the wounded were being cared for.

rather pugnacious he spoke in a streets and private buildings have was extremely difficult to hear him. I been for some time lighted by the electric light. It has just now been more important items of revenue:

ments of its possibility as a mouve power have lately been made here. In the western part of the city a tram car (same as Canadian hersecar) containing 46 people was moved at the rate of six miles per hour, at a cost of six shillings and eight pence per day as against twenty-eight for horse power. The batter a cost of six shillings and eight pence per day as against twenty-eight for horse power. The batteries are arranged under the seats, and no cumbrous machinery is necessary. Leaving out of the question the cruelty to horses which is incident to "trams," you see what a great advantage there is. The only electrical tram-way or railway in the British Islands at present, runs out to the Giant's Causeway, Ireland. The cars are restricted to len miles per hour, but are capable of doing twenty, and have pulled aix of £172.000.000 of the debt. There

miles per hour, but are capable of doing twenty, and have pulled aix of £172,000,000 of the debt. There are some smaller schemes of merel local interest. He noticed, P.s a matter of rejoicing, the greek falling off during the past few years of the revenue from liquors and spirits. The debate on the budget was resumed last night after the Explosiver Bill was or ried through. Lerd tations on opposite sides of the Geo. Har ilton made a spirited speech from the Opposition benches but his invective failed to draw
