Co-operation is the order of the day. It pays to
group your newspapers and subscribe for them in
bulk. Look over the following list of popular

published by women for women on superior bound
paper, bound; \$1 per year.
2. **The American Farmer**, Springfield, O., 16
pages monthly, has a national circulation of 50,000;
\$1 per year.
3. **The Western Advertiser**, London, a popular
weekly, recently enlarged, \$2.00 given to sub-
scribers in premium awards, a penny paper for the
home; \$1 per year.
4. **Penny**, Boston, 40 sparkling pages every

organ of the Farmers of Ontario and Quebec; 36
pages weekly; \$1 per year.
Some interesting figures regarding fruit
culture in California are given by the
Horticultural Bureau of that State. It is
rather surprising to read that of the 184
square miles of land area in the State
100,000 acres are planted in fruit
trees, 200,000 acres are in bearing trees,
118,918 are in trees not yet in bear-
ing. About 100,000 acres are in bear-
ing trees, and 10,000 in trees not yet in bear-
ing. Last year the prune crop was
\$7,000,000 pounds, but this year it will
reach 10,000,000 pounds, owing
to favorable weather.
