July 9.

NOTICE.  
THE  
EXHIBITION  
WILL BE HELD IN THE  
VICTORIA RINK  
On 11th September Next.

Contributors are respectfully requested to deliver at the Rink, on or about 2nd September, articles for Exhibition, with a list, stating particular features of interest in any of them, and especially marking things illustrative of the talent of the country.

Everything will be registered on delivery, and then distinguished by the number and name of the contributor; but, if desired, the name may be suppressed.

Fancy and other work, (which may be delivered at the Rink up to the morning of 7th September, tho' an earlier day would be preferred) will be valued by competent ladies, marked in plain figures, and exhibited for sale; but visitors will not be asked to make purchases. If quite convenient, purchasers would oblige by not removing important things until after the closing day.

Several ladies and gentlemen have generously promised to devote the first week of September to the work of arranging the articles in their respective departments; and many others, it is hoped, will kindly volunteer their help and judgment.

Anything which has any kind of merit or interest will be gladly and thankfully received for exhibition, and taken care of, glass cases being provided for delicate and valuable articles. Consuls would greatly oblige by sending their national flags, and Merchants their house-flags, to the Rink, on 2nd September, by noon.

Mr. Murray will gladly afford enquirers information respecting his collection at any time during the exhibition; and has very kindly consented to repeat his public explanations on the evenings of 14th and 12th September, at 8 o'clock.

Occasionally, when the Band is silent, pieces will be played by kind friends on the Organ or Piano.
