THE EVIL MAY DAY A FOOL AND HIS FOLLY.

A Tale of the Time of Henry VIII. CHAPTER XXIII.

UNWELCOME PREFERMENT.

Matters flowed on peaceably with Stephen and Dennet. The alderma no reason to repeat his decision astily as it had been made. Stephe self no unseemly airs of pre ption. but worked as one whose heart was in the business, and Dennet warded her father's trust by her

shrine, that it suffered no shock when without his own will.'

one of the Imperial men-at-arms, who were guarding His Holiness in actual though anconfessed captivity. This nfessed captivity. This had sent his co andations to ambrose, and likewise a laborious bit ng, which looked as if he were cried Stephen.

'Nay, what could I have done, save to make his plight worse, and forfeit fast forgetting the art. It bads Am-

mee he trusted to thy and plenty of smut to bestow on me ? sent me to the King deeming that he None can tell what Harry's mood will should have one full of faithful love to speak a word on his behalf, and I, Thou always wast a slip. That is the reason I durat not brutish oaf as I was, must needs take "Tis true indeed, your worship,' said 'Nay, per will lay a heavy A gleam came into Hal's eyes. and divert him fro sch that he loveth better still. I might be so. Thou always wast a me to ask of my sister Dennet a toward isd, Ambrose, and if so, I was a slip. That is the reason I durat me to ask of my sister Dennet a pper and bed for the night, as I have go to my poor dame." our and fool indeed to balk him." "We will send to let her know. I een on businees for him, and can arce get back to Chelses.' 'And welcome,' said Dennet. 'Little that had just been flung to him, mopthought I gnessed what black ouzel twas! I mind how thou didst make

the like notes for us when we were no

*And welcome, and Dennet. 'Little Giles and Bess have been wearying for their uncle.' 'I must not toy with them yet,' and Ambrose. 'I have a message for my aunt. Brother, wilt thou walk down to the Temple with me before supper?' 'And welcome,' and declaring that that gen theman had given him better than fifty the Temple with me before supper?' 'And welcome,' and that night, Sir Thomas 'And whon the support of the same greasy is the the support of the same greasy theman had given him better than fifty the Temple with me before supper?' aunt. Brother, wilt thou walk down to the Temple with me before supper?' 'Yea, and how is it with Master Randall?' asked Dennet. 'Be he gone billiant than ever, and had quite 'He is made over to the King.' said 'Be is made over to the King.' said

with my Lord Cardinal?"
 "He is made over to the King." said Ambrose, briefly." "This that which I must tell his wife."
 "Have with thee, then," and Stephen, innking his arm into that of his broker, for to be together was still as great an enjoyment to them as in Forest days, And on the way Ambrose told what he had not been willing to uiter in full assembly at the hall. He had been the in assess connected with the chancellor, ship. Wolsey had not time to answere before embarking, but as Si Thomas had vouched for his shifty and trutt-mess, he had bidden Ambrose come
 "Uncle, good nucle! At hart mather was and had quite elipsed the other sting on his hand." "Uncle, good nucle! At hart mather was a more than the had been were bar or south of the shift, was a come of the points on was to be exciled to Tork, he had not time to answere bother entry, his head resting on his hand.
 "Uncle, good nucle! At hart mather was a still at the sting on a mindow seet of palar speaking, was now incensed with the shift, had been were at him. I the mather to the mather base of inquiry into the term to answere bother entry."

hour of his stay, he found Hal curied up listlessly on a window seat of a gallery, his head resting on his hand. 'Uncle, good uncle! At last! Thou had heard Master Oromwell, formerly had heard Master With the theory with the second to be horses. The alderman gave full consent; he had heard Master Oromwell, formerly informing ess, he had bidden Ambrose come 'Sick at heart, lad,' said Hal, looking the Cardinal's secretary, informing the King that this rogue was no true into his barge and recieve his instructions. Thus Ambrose had landed with

him, just as a messenger came riding up. Tes, I took thy counsel. I in baste frem the King with a kind plucked up a spirit. I made Harry 'natural' at all, but was blessed (or cursed) with as good an understanding greeting, assuring his old friend that augh as of old, though my heart smote as other folk, as was well known in the his seeming disgrace was only for a me as I thought how he was wont to Cardinal's household, and that he had worth guarding, he was still glad when time, and for political reasons, and be answered by my master. I even sending him a ring in token thereof. no doubt been sent to serve as a spy, so that he was to be esteemed a danas my poor lord called this Nan Boleyn.

And lo you now, when His Grace was gerous person, and had best be put at the Dragon. Dennet did not like The Cardinal had fallen on his knees to receive the message, had snatched a under ward. touched at my lord's sickness, I durst gold chain from his own neck to regold chain from his own needs at ing ward the messenger, and then, casting about for some gift for the King 'by ill luck,' said Ambrose, 'his eye lit other disorders than the king's evil. Hal had not been able to discov whether Cromwell had communicated about for some gift for some gift for the same some state in the some state in the some state in the position of the some state in the position of the some state in the position of the King. Well, as thou canst grees. Hat is holdy worth at the treatment of his of the court chooses to call him, on the King. Well, as thou canst grees. Hat is holdy worth at the treatment of his of the court chooses to call him, on the fung himself previn fiesh and in distance to exertion.
Ambrose meanwhile prospered with his master, and could easily have that he might not be sent from his good lord. But the Cardinal, and besone office in the law courts that he did was to say he would have enabled him to make that would have no more ado, he had made his gift. ' Get thee gone,' he said, as his name, but he suspected that it

a home of his own; but if he had the least inclination to the love of women. it was all merged in a silent, distant worship of 'sweet pale Margaret, rare brock the sight, and Hal's blood was worship of 'sweet pale Margaret, rare pale Margaret, 'the like-minded daugh-was the Cardinal's servant, but no villian or serf to be thus made over which was so entirely devotion at a without his own will.' without his own will.' 'He was in the right there,' returned to, but the other fools jeering at me sued to the gipsy tent he would not be had fallen away, while the attitude in

the max is suffered no shock when shrine, that it suffered no shock when site right with them with all his force, Ambrose how astonished he had been
