Ottawa, Ont., July 26.-R. H.

But Conditions Named by Union President's are Not Satisfactory to President Hays

Toronto, July 27 .- The visit of W. G. Lee, president of the Brotherhood of Railway Trainmen, and A. B. Garretson, of the Order of Railway Conductors, seems to have changed the entire situation regarding the strike. Persistent rumors of an apdock is regarded as significant.

Expect Settrement. It is generally agreed here that despite all the reports to the contrary, there will be a conference with Prement of some kind will be reached. when the strike was declared it was SIR WILFRID MAY BE supposed that the local leaders wer strong enough to carry the fight to a tention of calling upon the leaders in the United States because of the feelin Canada that they should not interfere with Canadian affairs. The progress made since the strike

was declared has been anything but satisfactory, and it is understood that the men themselves demanded the presence of the heads of the order. It men did not reach a settlement, one

estigation at Montreal Reveals Startling Plan Alleged to Have Been Approved Whereby Eucharistic Congress Was to be Turned Into Huge Scan-

Montreal, July 28 .- Some startling evidence was heard this afternoon by the committee of aldermen who were

C. A. Mellette, on being sworn, declared that he was present at a meeting of the Emancipation Lodge on the night of February 11th last. Some twenty or thirty of the members were present. Amongst the questions taken up and discussed was the Eucharistic Congress. A member unfolded before the meeting a plot, first stating that he had a plan whereby the whole Eucharistic Congress could be destroyed and turned into a huge scandal.

The plan of campaign was simply struction Camp on the Transcon- of priests in the city in attendance at the congress, and as local accommodation for the proper housing of such a large number of ecclesiastics would be limited, it would be an easy matter to inveigle several of the priests to houses of ill-repute under the guise of directing them to respectable boarding houses. Photographers had been secured so that clergymen placed unwarily in compromising positions would be snapped, and damn ing evidence thus obtained.

All the members present seemed nthusiastic over the project but one, alleged to be Mr. Frang, who objected, termed the whole plan as fraught with danger to all members of the lodge if once discovered. Spe cial mention was made of Grand Champs, inspector of police, who was to see that offenders were arrested. After some discussion a committee was named to look into the project,

stated that he was present in the room ed the room underneath the lodge room of the Emancipationists, and had rigged up a contrivance by tear-Calgary, July 26—Out of the fire- installing a certain acoustic apparaing down a part of the ceiling and Bougruignon and Mr. V.
