**Spring Announcement!**

"Like a bold champion I assume the lists,  
 Nor ask advice of any other thought,  
 But faithfulness and courage."  
 The winter frost and snow have lent their aid in harvesting the product of  
 the forest. The logs are now gaily bounding through the open Rivers on  
 their way to meet the onslaught of Circular and Gang Saw. The result will  
 be Lumber in galore, and of the best.  
 The clean atmosphere, high winds and warm sun of Notre Dame Bay have  
 united to provide the seasoning process in perfection, so that our 1910 stocks  
 arrive here clean, bright and dry. Already several large cargoes have  
 been landed at our wharves, St. John's, in spite of a late spring. Others  
 are in course of transit.  
 We call upon our friends in St. John's, and through the length and  
 breadth of the country to send us their orders.
