

### The Newman Dispute.

The Newman case occupied the attention of the City Council last night for a considerable time. Incidentally there was a charge of incivility against an official by Mr. James Patton, the representative of Mr. Newman. The following letter sent by him to the Council was read:—

"On the invitation of Councillor Mullaly, I went to the City Hall this morning to try and clear the matter up. I was informed by the clerk that he was not dealing with past appraisements, and he declined to give me any information on the subject. I was also informed that in any case he was too busy to attend to me, and that if I wanted anything I could write for it as I had done before. I beg to bring this before your notice as a piece of gross incivility. I consider that in general with other payers of rates and taxes I am entitled to information regarding money paid by me for such purposes."

Councillor Mullaly said that he regretted that this was correct and suggested that the case be submitted to a Committee of Enquiry. The Mayor said that the charge was a serious one and should be investigated. Councillors Myrick, Channing and Martin were thereupon appointed. Councillor Mullaly asked that they report at the next meeting so that the matter be dealt with as soon as possible. A letter was read from Solicitor Morris advising that the taxes paid by Newman be not refunded. He was the owner of the property when the tax was imposed. If wrongly billed since the land was leased he (Newman) should have informed the Council of the change of ownership and had the appraisement set right in the Court of Revision. Councillor Mullaly said that two appraisements had been made on the property—one to McKay, who owned all the land, and the other to Newman. The mistake, he thought, arose from the fact of the appraiser seeing the Newman landmark in the vicinity and he set the value down under Newman's name as it was 25 years ago. Councillor Ryan said that the case should be fully looked into, as it would be manifestly unjust to have two taxes collected on the same land. The Mayor expressed the dictum that the Council should take the position of not being responsible to refund money even though the land be wrongly taxed. If Newman did not own the land as should not have paid taxes. Councillor Mullaly said that he believed the Solicitor did not have all the facts of the case, and when he did he would not doubt after his decision. There was a mistake, and it should be rectified at once. The details were probably not given to the Solicitor in the report. The work of the appraiser was in this case a farce, because Newman's ownership of the land ceased in 1897 when McKay leased it. The Mayor said that whilst the appraiser should have looked for information from Mr. Newman, the latter should have made the correction when the bill for taxes came to him. With reference to appraisers' mistakes, Councillor Mullaly said that as the Newman marks were on the Water Street property; if these indicated the ownership the property should have also been assessed to Newman. The appraiser must have enquired of some one in this instance. Why did he not do so in the other? The Mayor said, "Likely he got his information from Mr. McKay." Councillor Mullaly, "No doubt it was." Mayor Ellis then said that Newman should be informed that the Council was not obliged to refund.

Councillor Mullaly asked that the Solicitor be requested to reconsider his report. The Secretary stated that he had given the Solicitor the information which he asked and no more, also a copy of claimant's letter. Both frontages were assessable. Councillor Ryan said that there was certainly an irregularity. Two charges had been collected on the same property. This was wrong and the money should be refunded. It was fully decided to make further enquiry and again consult the Solicitor.

### Uncle Walt THE POET PHILOSOPHER.

I never put off till to-morrow the things that were well done to-day; that policy always brings sorrow and drives many blessings away. That is putting off habit—eschew it! When facing a chore that looks bad just get down to business and do it, and when it is done you'll be glad. Then men who are sighing and moaning, that life is a rough, weary way, are fellows too fond of postponing, and letting things slide every day. If I stack up high with the banker, and have a few rocks of my own, the reason is this: I don't hanker to fiddle around and postpone. This evening the hausfrau was baking—a feminine labor that's wise—and all of my innards were aching to sample a few of her pies. "Don't touch them," she cried, "till to-morrow!" and then I rebuked her and cried: "That policy means but a damper to put on your pride. My motto, my dear—well you know it—is: sever postpone; 'tisn't wise!" So just watch your spray-footed poet do things to a pair of your pies!"

Mahoney, of Tilton Harbor, Newfoundland, were united in bonds of holy matrimony with nuptial Mass celebrated by Rev. Dr. Supple. Miss Margaret M. Wall,

of Salem, cousin of the bride, was maid of honor. The groom was supported by Mr. J. Coleman, of Tilton Harbor. Little Miss Adele Ballot, another cousin of the bride, led the marriage procession as flower girl. The bride was gown in ivory messaline with white picture hat and carried a bouquet of bridal roses. Adele Ballot wore white muslin and lace with a wreath of white rosebuds and green leaves, and carried a basket of white roses and lilies of the valley. Immediately following the ceremony a wedding breakfast was served at the home of Mr. and Mrs. Eugene Ballot, 108 Belvidere Street, Back Bay, the guests being the near friends and relatives of the bride and groom. In the evening, from 7 to 11, a wedding reception was held at the home of Mr. and Mrs. Michael Keough, Roxbury, at which about eighty people were present, nearly all of whom were natives of Newfoundland. Mr. and Mrs. Mahoney were the recipients of many beautiful and useful gifts. They will make their home in Boston.

Mrs. Mahoney, formerly Miss Mamie Lucy Keough, was very well known in St. John's as one of our successful teachers. Her father was Mr. James Keough, of Tilton Harbor. Her mother before marriage was Miss Lucy Wall, one of St. John's sweetest singers about thirty years ago. In December, 1910, Mrs. Mahoney resigned her position as teacher and went to Boston, and since then has been employed as book-keeper for the Persian and Turkish Rug Co. Boston. Mr. Mahoney is son of Mr. Nicholas Mahoney, of Tilton Harbor. He is in the employ of Mr. P. Donahue, architect and builder, and is one of our many Newfoundlanders who is "making good" in the great Republic. The Telegram joins with their friends in wishing Mr. and Mrs. Mahoney many happy years of married life.

### Tells Others His Secret

Wants them to know how he was cured of itching, protruding piles by DR. CHASE'S OINTMENT. Doctors usually recommend the knife as the only cure for piles. They overlook the risk, the expense and the suffering of mind and body entailed in a surgical operation. Dr. Chase's Ointment will bring relief quickly and will cure thoroughly if you will but persist. Mr. A. Honington, 52 Bronson Place, Montreal, Que., writes:—"I cannot help praising Dr. Chase's Ointment as I suffered many years with itching and protruding piles, and was cured by this ointment. I became tired of the efforts of the best specialists to cure me, and hearing of Dr. Chase's Ointment just as I had of hundreds of other medicines began its use. But oh, great joy, at the very start the sharp pains left me and I was gradually cured. I hope that every sufferer will follow my example with the same success. Every form of piles or hemorrhoids is cured by Dr. Chase's Ointment. 60 cents a box, at all dealers, or Ed. Manson, Bates & Co., Toronto."

### I. O. G. T.

Onward Lodge held a most enthusiastic meeting at Victoria Hall last evening (Friday), one candidate was admitted and it was announced that several others intended seeking admission at the next session.

The quarterly report showed that the officers had been fully alive to their duties, and that good work had been done during their term of office. After the Supt. of Juvenile Work had presented her report, Bro. I. C. Morris took occasion to congratulate the officers and members for what had been accomplished and urged them to go forward with the good work. He also made an eloquent appeal on behalf of the Juvenile Work, and gave words of encouragement to Supt. and Officers.

After the adoption of reports and transacting other business, the following officers were installed by Lodge Deputy Sterling, assisted by Bros. Fred. Rose and W. Thorne as Installing Marshalls:—P. C. T., Bro. W. Thorne; C. T., Sister Mrs. Thistle; V. T., Sister Bertha Thomas; Secretary, Sister Annie M. Thorne; Asst. Sec., Bro. Campbell Phillips; Fin. Sec., Sister Maria Hobbs; Treas., Sister Mrs. Bastow; Chaplain, Bro. H. Hammond; Mar. Sister Mrs. B. Andrews; Dept. Mar., Sister Lizzie Tucker; Guard, Bro. John Baldwin. After the usual votes had been passed, committees formed, the C. T. thanked the members for their confidence in re-electing her to the chair for a second term, and closed the meeting in ritual form at 10.30 by singing the National Anthem.

### Street Associations.

For some time past a gang of boys have been taking charge of George's Street, and they broke the windows in several houses there during the week. "sassed" the residents when reprimanded and quit hurriedly when the police appeared. Now there is a graver charge against them, for during the week candies, etc., have been stolen from Woods' and other stores. and it looks as if these boys are the guilty ones. Yesterday Sergeant Byrne who was on the case found a crowd of these lads in a corner of Goodridge's premises eating chocolates and other confections, fruit, etc. The boys were not earning and had no means of getting so much sweetmeats except by some crooked transaction. One of the number was taken to the police station and questioned and gave the names of the others who were with him when these depredations were committed. In this boy's possession was found a letter to a girl acquaintance written in coarse and lewd terms. The lad goes to school as do most of his companions, and the incident goes to show how the minds of boys may become contaminated by street associations.

ANOTHER MARVELLOUS CURE BY DODD'S KIDNEY PILLS.

Ludger Cote's Backache had developed into Bright's Disease, and pains and aches were his portion—Dodd's Kidney Pills cured him.

St. Yvon, Gaspé Co., Que., Nov. 3. (Special).—Once more a wonderful cure has sent the name of the old Canadian Kidney Remedy ringing through the Province of Quebec. Mr. Ludger Cote, a well known resident of this place, is the man cured and the story of his cure in his own words is as follows:

"For four years I suffered from Backache, stiffness of the joints and finally Bright's Disease. I could not bend my right leg on account of the pain in my hip in the region of the bladder. My eyes were swollen. I was always tired and nervous and took no pleasure in life.

"Finally, I decided to try Dodd's Kidney Pills and the effect was marvellous. Six boxes cured me completely."

Backache, neglected, develops into Bright's Disease. The one sure way to escape its tortures is to cure the Backache when it first starts with Dodd's Kidney Pills.

### Bonne Bay Herring Fishery.

The messages coming into the Marine & Fisheries Department for several days past indicate that herring can be had in abundance in that place. It is unfortunate that no vessels had arrived there to take the catch, and must entail a great loss to the fishermen. Last year about this time there was a big fleet of American herring catchers there and the people reaped a harvest. Owing to this the people this year invested in new nets and gear to catch the fish going to a deal of expense, so that if the herring are not caught as largely as last year they will lose heavily.

### Grip and Parcel Stolen

Thursday evening a man named Williams who was going to his home in Harbor Main by the shore train hired a boy to bring his grip and a parcel to the station. On his way up the man went into a store to make some small purchases and was followed by the boy, who before going in laid the packages on the sidewalk.

When the man and boy emerged they found both had been stolen while they were in the shop. The grip contained 7 lbs. of tobacco, 2 pairs of boots and other articles valued at about \$20 and the parcel worth about \$5 more. Yesterday the grip minus its contents was found yesterday in an alley way off Hamilton Street. The man had to remain behind to duplicate the stolen goods. The police are engaged looking for the thief.
