**Concerning the water supply for the troops landed at Suvla he says: "I reg

Enormous losses were inflicted, and of the swarms which had once fairly crossed the crest line, only a handful ever straggled back to their own side of Chunnik Bair.

At the same time strong forces of the enemy were hursed against the spurs to the northeast, where there arose a conflict so deadly that it may be considered the climax of four days' fighting for the ridge. Portions of our line were pierced, and the troops were driven clean down the hill. At the foot of the hill the men who were supervising the transport of food and water were rallied by Staff-food and water were rallied by Staff-food and water were rallied by Staff-food and water were they plunged into the midst of that series of struggles in which Generals fought in the

Girls! Draw A Moist Cloth Through Hair **Double Its Beauty**

Limited

Immediate?—Yes! Certain?—that's the oy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair London, Jan. 6.—General Sir Ian Hamilton's report on the British operations on the Gallipoid Peninsula was published in the Official Gazette to-night.

The Suvia Bay landing failed to accomplish its object, the report shows partly because the force consisted largely of untried troops under Generals nexperienced in the new warfare, and partly through the failure of the water supply. The sufferings of the tweet supply. The sufferings of the water supply. The sufferings of the water supply. The sufferings of the water supply. The sufferings of the between the supply of the bases held by the British troops. The most striking passages of the supply of the bases held by the British troops. The most striking passages of the supply of the supply of the bases held by the British troops on our side of the slope.

By the evening the total casualties of the supply of the bases held by the British foreart the supply of the bases held by the British troops on the supply of the bases held by the British for the supply of the bases held by the British for the supply of the bases held by the British for the supply of the bases held by the British for

overbore the corps commander's re-solution. But it was lack of artillery The climax was reached at day-break on the tenth, when the Turks made a grand attack from the sum mit of Chunnik Bair Hill upon a short front held by two pattalions of the Sixth North Lancashire and the Fifth Wiltshire regiments.

First our men were shelled by every enemy gun, he says, then accounted the sum of the New Army, under Major-General Shaw, had alone lost 6,000, out of a grand total of 10,—support which finally decided him to acquiesce in the policy of going slow, which, by the time it reached the troops, became translated into a period of inaction. The divisional generals were informed that in view of the in-adequate artillery support. General Stopford did not wish the says then accounted by the says the says then accounted by the says th pear-of inaction. The divisional generals The were informed that in view of the in-gives any girl a big advantage. Poor frontal attacks on entrenched positions are caused by blood disorders. The but desired them to try to turn any cure is simple. Just use Dr. Hamil-

senior commanders lacked experience prove, strength and endurance will in the new trench warfare, and in the Turkish methods, and appreciation of the paramount importance of time. On the 15th General Stopford was relieved of the command of his division where.

Hamilton's Pills to-day. Sold everywhere. corps, Gen. de Lisle succeeding him. Accounts in the report of the suffering of the soldiers from lack of water are graphic. "At times," he says, "I thought of throwing my reserves into this stubborn central battle, where getting the chance of a lifetime. As succesive solid lines of Turks topped the crest of the ridge, gaps were torn through their formations and an iron rain fell on them as they tried to reform in the guillies.

Not only here did the Turks pay dearly for their re-capture of the vital crest. Enemy reinforcements continued to move on under a heavy and accurate fire from our guns. Still they kept topping the ridges, and pouring down the western slopes of Chunnik Bair as if determined to gain everything they had lost. But once they were over the crest they became exposed, not only to the full blast of the success.

Were worth, according to the ethics of war, ten thousand lives, for by their success. Gender the crest of the ridges, and success for the thousand lives, for by their success. Gender the crest of the ridges, and success. Gender the creation of the contract of the contract of the creation of the contract of the contract of the reinforcements and a signal victory. The couples water the differences between an important success and a signal victory. The couple had not come off, the Narrows were made. The time water troubles made me give up the idea, all ranks at Anzac being reduced to a pint at Anzac when the water bags arrived at the rick their first practice at the prince's Rink last night. Some new "stars" were noticeable in both ranks. For the former team, Trapnell of the one-time victorious at Anzac when the water bags arrived at the two the the result of General Birdwood, or any of the office was the water troubles and a signal victory. The couple was the prince's Rink last night. Some new "stars" were noticeable in both ranks. For the former team, Trapnell of the one-time victorious at Anzac tempt and the victo
