### YESTERDAY'S RESULTS.

Red Lions . . . . .013 021 101—9  
Wanderers . . . . .300 023 000—8

### SUMMARIES.

Three base hits: Kielly, 1; Two base hits: Kielly, 1; Strike Outs: by Ellis 13, by Smith 13; Bases on Balls: on Ellis 4, on Smith, 9; Hit by Pitcher: By Ellis 2, by Smith 1. Umpires—Chesman at the plate, Montgomery on the bases; Scorers—Channing and Merner.

### PLAYERS.

Red Lions—Hiltz, c.; Ellis, p.; Payne, 1b.; Callahan, 2b.; Gushue, 3b.; Munn, ss.; Kielly, cf.; Gushue, rf.; Carter, lf.  
Wanderers—McCrindle, c.; Smith, p.; Hartnett, 1b.; Smith, 2b.; Brown, 3b.; Burton, ss.; Dobbin, rf.; Knight, lf.; O'Regan, cf.

The Lions tied up the score in the 7th, and when Bobby Smith lost Ellis's pop-fly in the ninth "Nuts" just stuck around the old second sack until Kielly's bingle and Hiltz's Texas leaguer brought in the winning run.

Hartnett had the chance of a lifetime in the 8th when with the bases soused and only one down, he biffed the ozone three times. And of course Brown who followed him couldn't be blamed for imitating the Big Chief.

All the fans were pleased to welcome back the old vets—Billy Callahan and Cocky Munn—both of whom played excellent ball on the field, but their batting eye needs a little tuning up.

Kielly was in good batting form—being credited on the score sheet with a doublesacker and a triple.

Smith—the grand old man—pitched well but his support at times was simply rotten.

Ellis seemed in too big a hurry to get them sizzling over the plate, and this is why so many walks were made against him.

Didn't Cocky's zebra stockings look familiar?

The Lions without St Jenkins were like a Fifth Avenue grandma without her war paint.

Britt was missed, but McCrindle substituted as backstop very well, though his rainbow throw to second will never be effective.

Both umpires had a very quiet evening and nothing occurred to disturb their equanimity.

The Brown and the Smith families seem to be well represented on the Wanderers.

The end of the first round finds the B.I.S. and Red Lions with even percentages, with the Cubs and Wanderers tying in the second division.

The B.I.S. and Wanderers will furnish the excitement on Tuesday evening. Frnch and his "enfants terribles" are just thirsting for revenge after the 17 to 7 jolt they received at the previous clash.

Get to-morrow's Telegram for the averages of the players to date. They are being kept very accurately this year by the Official Scorers Messrs. Channing and Merner.

It's easy enough to be pleasant, when existence moves onward serene; but the bloke worth while is the one who can smile, when the pill is scorching his brain.

Some players are born lucky; some have luck thrust upon them; and some sign with a team like the Lions.

No, Myrtle, (yes, she's in again), the meanest guy in the world is the man who left \$500 to be paid to his son when the Wanderers win another pennant.

### THE LIONS.

You didn't get the frenzied cheers as chesty champs in Balldom's fray. Your pennant rush in other years was stronger through the season's play. No Series' glory's touched your scions, nor Allen Cup repaid your crew; But, oh, you courage-toting Lions, with scrap and pepper, here's to you. With Old Kid Jinx athwart your frames, and Hard Luck near at every start, you clawed and fought for all your games and showed what men call grit and heart. With half your ball-club off the job, you didn't squeal or mady rant; but tore right in and

showed the mob the gamest baseball club extant.

When Fate dispelled your pennant dream and tried your courage to the core, with just a banged-up crippled team, you Lions came right back for more. You didn't quit; you didn't wilt, but battled on with all your scars. And, oh, you Lions, here's to you! The gamest club this side of Mars.

### Ethie's Report.

#### REACHED BATTLE HARBOR.

The s.s. Ethie, Capt. E. English, succeeded in reaching Battle Harbor on her last trip for the first time for the season. The ship left here on the morning of the 21st, and after calling at intermediate ports arrived at Battle Harbor on the 24th. She experienced heavy ice and much fog. No seals were got at Battle Harbor the past spring and cod had not yet struck in, and no salmon going. The Ethie was the first steamer to reach that port this year; as she was leaving, the Terra Nova arrived. There was heavy ice along Labrador from Chateau northward. No cod at Hensley, Chateau or Red Bay, but much ice yet. Sign of cod at West St. Modeste with jigger, but ice was setting in on the shore on the 25th. At Lance au Loup and Forteau there was a sign of cod when the Ethie was there. The Thetis, with the Neptune in tow, reached Blanc Sablon on the 25th. There was a good sign of cod at that place and also at Long Point. On the 26th caplin struck in at Salmon Bay, there was also a sign of cod, while at Bonne Esperance one trap had three qts. that morning; no caplin. At Flower's Cove, sign of cod but no caplin. Very little doing with fish of any kind at Brig Bay. Two or three traps at Point Riche had 15 qts. cod. At Port Saunders two traps had 25 qts. each, nothing doing on trawls. At Daniel's Harbor, not much doing, and similar conditions existed at Parson's Pond. At Cow Head, traps had 25 qts. and at Trout River there was good fishing. The young man Gould, of Flower's Cove, who was accidentally shot was taken to Battle Harbor for treatment. The Ethie got back to Curling Saturday. Several passengers came by her. She sailed again yesterday afternoon—Western Sta., July 2.

### With the Rod.

(Western Star.)  
Serpentine River—C. C. Clifford, of New York, spent a few days fishing at Serpentine River, and landed 13 salmon, ranging in weight from 23 pounds down to 12 pounds. William P. Brake was guide.

A. M. Smith, of Halifax, secured 2 salmon while fishing on Serpentine River, weighing 6 and 12 lbs. He returned to Curling last Wednesday.

Ellis, Simon and M. G. Basha, and D. Joseph, spent a few days trout fishing at Serpentine River and secured about a barrel, the fish weighing from 4 to 6 lbs. There were "piles of trout there."

Harry's River—Alfred E. Silver, who is fishing at Robert Pool, had caught four salmon up to Saturday, weighing respectively 26½, 20 and 19 lbs., and 14 lbs.

Walter J. Jones, who is also fishing at Robert Pool, had four salmon landed up to Saturday, two weighing 23½ lbs. each, and the other weighing respectively 22 and 6½ lbs.

R. G. Vanname is fishing at Lower Force le Plane, on Harry's River, and had two salmon up to the end of the past week, one weighing 20½ lbs. and the other 7½ lbs.

A. Cobb landed a 20-pounder from Dump Pool last week.

Fox Island River—There are three sportsmen on Fox Island River, namely, Frank Dumont, Z. Dumont, and Willard Metcalfe, all of New York. Last Tuesday Frank Dumont caught a 26-pound salmon, the first for the season for that river. They are doing remarkably well with sea trout, which fish weigh from 1 to 6 lbs.

Codroy—During the third week of June 27 salmon were landed from the various pools of Grand River. Good many sportsmen are camped at Tompkins, Doyle's, and South Branch, and others arrive by almost every train.

Grand Bay Brook—Salmon fishing has not been very brisk this season. Two fish were taken during the week ending 21st ult., weighing 10 and 16 lbs. respectively.

### Obituary.

#### SOLOMON ROBERTS.

In the death of Mr. Solomon Roberts, J.P., Change Islands, which took place at the Southcott Hospital, St. John's, on Thursday, July 3rd, there passed away an eminently outstanding personage. Mr. Roberts had been ill for some months, but his sufferings were borne with patient and tender resignation. The deceased was an indefatigable worker, being for many years actively identified with the Methodist Church, and also took a most active part in Patriotic and Red Cross work. For the past five years he has been president of the Men's Patriotic Association, Chairman of the Red Cross Society, and for many years Justice of Peace. He was a man of sterling qualities, a wise counsellor, a loyal friend, and leaves behind him influences that are uplifting, ennobling and Christlike. His life was actuated by a spirit of love and sacrifice. He was always ready with advice and help and many a lonely widow and orphan will remember him as a friend indeed. Mr. Roberts is survived by a sorrowing wife, six sons, and three daughters, one of the latter still serving in France as a Red Cross Nurse. To these we extend our sincere sympathy in their loss of a loving husband and devoted father.

"Were a star quenched on high for ages would its light  
Still travelling downward from the sky  
shine on our mortal sight;  
So when a good man dies, for years  
beyond our ken  
The light he leaves behind him lies  
upon the paths of men."
