### Obituary.

JOSEPH WALSH.

There died at the Lunatic Asylum, St. John's, on the 19th inst, a well-known man and prominent resident of St. Lawrence in the person of Joseph Walsh, at the age of 44 years. His passing has cast a gloom over this place where he was so well known and universally respected. Deceased was a type of man not too frequently met with, and in many respects, such as in the performance of manual labor, was in a class by himself. Courageous, fearless and bold, and with a robust constitution, he would often tackle problems that would baffle the efforts of two or three men, and would do it alone with just as much ease and precision. He was a very proficient sailor and fisherman, having served his apprenticeship with Captains Cusack, Carroll, Boland and others fishing out of Gloucester while only in his teens. After returning home he still engaged in the Bank Fishery and was always in demand by Captains Lewis, Kennedy, Fudge and others, who always found him a faithful and trustworthy servant and a competent second hand. Many of his old shipmates scattered round the coast who sailed with him from time to time, and who had the privilege of his friendship and association, will be sorry to hear of his untimely end, and in their reflections will offer a silent prayer for the repose of his immortal soul. He was essentially a religious man and was always faithful to his Communion (Catholic), and would shirk no responsibility whenever his services were needed by his church. He was a jovial companion, always charitably disposed towards his neighbor, always kind and considerate even to a fault. These characteristics during life made him a general favorite, and whether it be on the deck of a banker, in the club room, or in any society, he was a man amongst men. He was always of an industrious mind, and by hard work and faithful endeavor has built up a comfortable home. He leaves a wife and six children, three boys and three girls to mourn the loss of a kind and affectionate loving husband and father. May he rest in peace.—COM.

### Bank Manager Promoted

#### MR. E. B. MCINERNEY GOES TO PARIS.

Mr. E. B. McInerney, manager of the St. John's branch of the Royal Bank of Canada, has been promoted to manager of the Bank's Paris office, one of its most important branches. This is a splendid promotion, particularly when it is realized that Mr. McInerney is only 32 years of age. He has been in St. John's only since last fall and has made himself thoroughly popular during his short residence here. Mr. McInerney will remain here until the arrival of his successor. The new Paris Manager who was born in St. John, N. B., entered the Bank's service some 17 years ago, joining the staff of the office in his home town, where he reached the position of Chief Accountant. From this position he was transferred to Toronto in 1915 as Assistant Manager, later being appointed Assistant Manager at Montreal. After filling this position he was appointed third agent at New York, and it was from this important office that a little over nine months ago he came to St. John's as Manager. The Telegram extends its congratulations to Mr. McInerney.

### Harbor Grace Notes.

Rev. T. B. and Mrs. Darby of St. John's, spent last week end here. Rev. Mr. Darby occupied the pulpit of the Methodist Church, on Easter Sunday, both at the morning and evening service; the sermons preached by the Rev. gentleman were very powerful and inspiring.

Mr. S. E. Garland of St. John's, was here on a brief visit during the week.

Miss Mildred Whiteway arrived in town from the city on Friday to visit her mother, Mrs. H. Whiteway, who is ill. We are pleased to note Mrs. Whiteway's condition has since improved.

Motor boat "E. L. Stewart" which arrived from Bell Island on Saturday, got away for the Island again this morning, bringing a number of passengers by the return trip. Ice and weather conditions prevented the boat from returning sooner.

At the Star Movie on Tuesday night last, besides the special feature "The House of Whispers," songs were rendered by Mrs. W. T. Bellamy, Miss Carmel Caser, Messrs. Harry Kennedy and W. H. Kennedy, in their usual good style, which added much to the enjoyment of the evening for those present.

Miss Flora Parsons, daughter of Mr. and Mrs. E. E. Parsons, who has been ill for the past few days, is now on the mend again, all will be pleased to hear.—COR.

### Personal.

Mr. and Mrs. E. W. Taylor left by the express Sunday for New York, taking with them their little son for treatment.

Rev. Canon Smart, Rector of St. Mary's Parish, Heart's Content, was a passenger to the city by train yesterday.

On Sunday, April 16, a Memorial Service was held in the Methodist Church of Parry Sound, Ontario, in memory of the Rev. J. J. Wheatley, who recently passed away. The President of the Toronto Methodist Conference, who was in charge, was assisted by the Rev. James Binnie of the Presbyterian Church, Rev. Canon Burt,

rector of Trinity Anglican Church, Rev. John Middlemiss, Baptist Church, and others. The late Mr. Wheatley was stationed in this country for several years and left here for Brunswick Conference, and for the 10 in 1904. He was born in Devon in 1861. Mr. Wheatley, whose wife survives him, was interested in the Diocese, Toronto.
