NATIONAL LEAGUE.
The Jersey City club, of the inter-league, is angling for Doc Gooden, the relief pitcher of the Giants, upon whom McGraw has asked the waver. The Baltimore Orioles are negotiating for his services. Several other clubs would like to get him.

A signed article in a New York paper recently, Mathewson asserted that now on the race for first place will be between Pittsburgh and the Giants. This was two weeks ago. Matty appears to have the edge over straight, at least as far as the Giants are concerned.

The Cardinals are trying to sign E. J. Connor, not the Browns' pitcher, but a youngster with the University of Chicago team, who is creating quite a sensation in the college circles. One of the Cardinals' scout recommended Connor.

Infielder Heinie Groh, secured by Cincinnati from New York, through a change in his position. He is fast and has an impressive way of handling himself around his position. He is fast enough and dives for ground balls like the elusive rabbit. He appears to be quite an addition to the Red Sox.

The Pirates now have a real mascot. They are out in full uniform. He is a young fellow, aged 12, son of Barney Jones, and he is the proudest lad in the greater city. Eddie Menor, a player and Tommy Leach, no longer, are classed as the "smallest men" ever wore a Pirates uniform.

Henry now carries the honor. "The best pitcher in the world," is what Long Larry McLean, now of St. Louis, calls Arthur Fromme. McLean was at the Polo Grounds on the 30th when McGraw's new pitcher reported.

McGraw's new pitcher reported, and the big catcher was so enthusiastic that Fromme could not resist the games. Larry was Fromme's catcher at Cincinnati for three years.

Larry Doyle, of the Giants, aspires to lead the National league in batting this season. He made known his ambitions when the Chicago Cubs were playing the Giants on the Polo Grounds. He directed his remarks to Heinie Zimmerman, who led last year, with a mark of .372. Doyle will not top the list if the Cub third baseman has his way.

Says a Pittsburgh critic: "We may talk about the steady influence of Wagner on the team and the pitchers, but while we are on that subject it is interesting to point out the clock-like work all around with Mike Simon behind the bat. Mike is catching the best ball of his career and he is figuring in the run-getting and game-winning departments."

It seems strange to hear Heinie Zimmerman is deliberately making trouble for Johnny Evers. It was Evers who took Zimmerman out of obscurity in New York state and landed him a job with the Cubs. Johnny stood by him ever since, and last year they were a little clique by themselves. But they say that Heinie is making life miserable for the Trojan now.

AMERICAN LEAGUE.
The Chicago club has turned over the veteran outfielder, Davy Jones, to the Toledo club, of the American Association. Jones was secured from the Detroit club in the winter, but injured his hip and had to give way to a younger man. So far Davy has refused to report to the Mud Hens.

When Umpire O'Loughlin banished Clark Griffith from a game week before last, the Old Fox lost \$50 suits of clothes to Walter Johnson and Cy Morgan, with whom he had made wagers that he would not be put off the field again this season.

Shortstop Bobby Wallace, the veteran of the St. Louis Browns, who has been nominated for mayor of New York city by the city convention of the Socialist party.

Russell Nominated for Mayor
New York, June 12—Charles Edward Russell, Socialist candidate for governor of New York in 1910, has been nominated for mayor of New York city by the city convention of the Socialist party.

St. John's A and St. John's B meet in a league match on Saturday afternoon at the Western Canada college grounds. Both teams have, up to now, won one match and lost one in the league, and a great fight is anticipated.

The captains of the two teams have picked their very best men and as all have promised to turn out, lovers of cricket are assured one of the best matches that will be played this year. The match is timed to start at 2 o'clock. The teams are as follows:

St. John's A—F. W. Johnson, F. T. Burroughs, W. T. Brooke, P. J. Timms, G. Marshall, K. E. Tulloch, C. Jones, J. P. Dovers, R. Day, A. Downing, C. Lambert, J. Jackson. Reserve—G. Parker.

St. John's B—G. O. Jones, A. R. Redgrove, A. Boughton, W. Cunningham, R. Parker, F. Taylor, L. C. W. Burt, G. Dovers, S. Newborn, E. C. Richards, W. Meggs. Reserve—Canberry.

LANCASHIRE VS. CALLIES AT VICTORIA TONIGHT.
The big soccer game tonight is at Victoria Park, when the Callies meet the rejuvenated Lancashire team in the Senior League. The Callies have been setting their house in order recently, and there will, it is believed, be a full turnout tomorrow evening.

The following players are requested to be on hand early: Glibboley, Cooper, Grindlay, Towill, Strong and Petrie. Haig, Williams, McBean, Nesbit, and Stewart. If possible, Keitch and Matheson will be out to act as reserves, but owing to having to play for their warehouses in the most important game of the season neither Bennett nor Skinner will be available. This means the Callies will have to turn out as selected in order to put up a good game. Wilson may not be out at all, and in any case has a bad shoulder, but he will attend the game if he can get away.

The Lancashire team will be at full strength, as selected, and will include Forshaw, Foulds, and Hittich, the three men who have decided to stay with the Lancashire club. The game will be a good one, and Mr. H. E. Sheldon will have charge of it. The admission will be 15 cents, and the match will start prompt at 7.15.

Another Derby at Hillhurst.
Tonight the Callie Juniors and the Western Canada college play their protested game in the junior league at Hillhurst. Western Canada college can maintain games, and they will make a big effort tomorrow. The Callies have their best eleven on the field, however, and the game will be a ding-dong one. More after the defeat at the hands of Bishop Esham, the college boys will strain every effort to beat the leaders.

FIREFIGHTERS SURPRISE NEILSON TEAM
The Firefighters sprang a surprise on the whole Intermediate Soccer league last night, when they defeated the Neilson Furniture team by three goals to one. In the first place, the referee did not show up, and a man was questioned from the touch line who did not please the crowd or the players. Consequently the players got out of hand, and what should have been a fine game was somewhat more of a battle, with daggers drawn. So much so, in fact, that Charlie Burns, the captain of the Firefighters, was carried off the field, hurt, and this was the sort of play all through. The rough work was not confined to the Firefighters, but was participated in by Neilson's just as much.

Neilsons scored their only goal in the first half from a penalty, and in the second half Firefighters scored through Newstead, 1, and Scenter 2. Neilsons had a lot of the game, and should not have been two goals down, but the way in which the firemen played was worthy of all credit. They never let their opponents settle down for a moment. Their victory over Neilsons opens up the league championship quite a bit, and makes the competition one of great interest for all concerned. The following are the team: Firefighters: Ashcroft, Sampson and Burns; Barker, Gallagher and Crocker; McCartney, Scenter, Dawson, Newstead, and Gaylord.
