The union Sabbath School Convention met on Thursday at Walton. They had a very profitable meeting in the afternoon and tea in the evening. In the afternoon some of the questions were well handled.

The Ridgetown Standard says: "here has been a very respectable looking gentle-man going through the township of McGillivray and Stephen taking orders for tea, making a promise to everyone that gives an order for five pounds that they would receive a prize or a present of some kind from an organ down to half a dozen knives. The tea came, but the prizes never came, but still making a promise that the parties would receive them in two weeks. Now let all narties be on the lookent in

Now let all parties be on the lookout in other places for the fraud." other places for the fraud."

On Friday about 30 of the section people met at the school house in school section No. 9, Lobo, to bid farewell to their esteemed teacher and friend, Miss Hobbs, who is leaving after having taught a term of three years in the above school. Their appreciation of her service was shown also in a tangible form. Misses Nora McCombs and Selinda Hambly, op behalf of the people and pupils, presented Miss Hobbs with a touching address and presents consisting of an album, handkerchief-holder, willow rocking-chair and a beautiful china tea set. Miss Hobbs, in reply, thanked the people and pupils not only for the presents but for the kindness that all the section had shown during her stay with them.

during her stay with them.

FERGUSON.

An Easily Solved Problem.

"Edison says that when the problem of producing electricity direct from combustion is solved an immense manufactory can be true a year with two or three tons of coal. What will you be loded an immense manufactory on the McDonn's Watertown, N. Y., has taken up his residence in our two.

The temperature of Mrs. J. H. Semiday of the same and the form of the tr

tation to maintain that has cost a fortune to establish.

THEY ARE THE MOST POPULAR be cause they have earned their popularity on their merits, in spite of the thousands of brands that have been introduced (and since died out) since their introduction.

They have many IMITATORS BUT NO EQUALS. The demand is greater than

Millions Sold Annually.

They will always be the superiors of all other cigars now in the market, or that may be introduced at any time, if the finest of the crops and forty years experience can maintain the position they now occupy.

S. DAVIS & SONS

MONTREAL.

"THE HALF HAS NOT BEEN TOLD."

So writes an enthusiastic lady in reference to the merits and uses of "SUNLIGHT" SOAP

And the lady is quite right.

It is only when the "SUNLIGHT" SOAP is in the house and used in every department of household work, that its grand cleansing and labor-saving uses are discovered.

It is the soap of all soaps, and may well be said to be worth its weight in gold.

Try it. Beware of imitations.
