THOUSANDS OF FAIR WOMEN HERALD PRAISES FOR PERUNA.

Catarrhal Dyspepsia and Nervous Prostration Make Invalids of More Women Than All Other Diseases Combined.

Peruna is the woman's friend everywhere. It is safe to say that no woman ever used Peruna for any catarrhal derangement but what it became indispensable in her household.

Every day we receive letters from women like the following. Women who have tried doctors and failed; women who have tried Peruna and were cured.

Miss Katie Klein, 6125 Barmen avenue, St. Louis, Mo., writes: "Peruna has done me more good for catarrh than the best doctors could. I had catarrh so bad, but after taking Peruna it is entirely gone, and I feel like a different person."

Miss Anna Prescott, in a letter from 216 South Seventh street, Minneapolis, Minn., writes: "I am sincerely grateful for the relief I have found from the use of Peruna. I was completely used up last fall, my appetite had fallen and I felt weak and tired all the time. My druggist advised me to try Peruna and the relief I experienced after taking one bottle was truly wonderful."

"I continued its use for five weeks, and am glad to say that my complete restoration to health was a happy surprise to myself as well as to my friends."—Anna Prescott.

A constant drain of nervous vitality depleting the whole nervous system causes the mucous membrane surfaces to suffer accordingly. This is the condition called systemic catarrh. It is very nearly resembles, and there is really no practical difference between this condition and the condition known as neurasthenia, or nervous prostration.

Peruna is equally efficacious in curing systemic catarrh or catarrh of the stomach. Catarrh is essentially the same wherever located. Peruna cures catarrh.

Peruna Makes You Feel Like a New Person. Miss Marie Coats, a popular young woman of Appleton, Wis., and president of the Appleton Young Ladies' Club, also speaks in glowing terms of Peruna. A letter recently received from her by the Peruna Medicine Company, of Columbus, Ohio, reads as follows:

"I am glad to call the attention of my friends to Peruna. When that languid, tired feeling comes over you, and your food no longer tastes good, and small annoyances irritate you, Peruna will make you feel like another person inside of a week."

"I have now used it for three seasons, and find it very valuable and efficacious."—Miss Marie Coats.

Diseased nerves are traceable directly to poor digestion, and poor digestion is directly traceable to catarrh. With the slightest catarrh of the stomach no one can have good digestion.

Very few of the many women who have catarrh of the stomach suspect what their real trouble is. They know they belch after meals, have sour stomach, a sensation of weight or heaviness, a fullness, irregular appetite, drowsiness, gnawing, empty sensations, occasional pain—they all know this; but they do not know that their trouble is catarrh of the stomach. If they did they would take Peruna.

Peruna cures catarrh wherever located. As soon as Peruna removes catarrh from the stomach the digestion becomes good, appetite regular, nerves strong, and trouble vanishes. Peruna strengthens and restores, not by temporarily stimulating them, but by removing the cause of weak nervous digestion. This is the only cure that lasts. Remove the cause, and you will do the rest. Peruna removes the cause.
