## These Suits Are Worth Talking About

Hard to say which is the prettier. They are fair representations of some we are showing today, almost identical in style and finish. Why should I go to a tailor (one lady said), when I can get such faultless tailored suits, all ready to put on? Suits of character, such as we represent here, made of all-wool, fine broadcloth, with trimmings of beautiful silk braid and buttons, we need say but little about. Our ladies do the talking when they have seen the styles, for never have we shown such perfection in Ladies' Tailored Suits (ready to wear). Even if you don't want to buy, these should be seen.
