Harry Coursey proved the sensation of the Manufacturers' A. A. A. track meet Saturday, when he showed his heels to Perrin Gorman in both the 100 and 220, won the 440 and by way of showing his versatility took first in the standing broad jump. He won the individual championship with a total of 39 points winning over half the number of points needed to give the McCormick Manufacturing Company track team the team championship and the Western Fair board's silver cup.

Captain Cornelius, Canada's Olympic coach, was an interested spectator of the events, which attracted a smaller crowd than usual, and he was as surprised as the rest of the gallery when Coursey led Gorman by yards in both the sprints. Gorman was obviously not in the form he showed on his return from the training camp, but nevertheless that took nothing away from the impressiveness of the colored boy's wins. Doug Westman also got two firsts in the shotput and tne nop, step and jump to make McCormick's lead still more secure and Miss Poole, runner-up in the ladies' individual point total, also contributed her share. The McCormic', team topped a big day by taking the relay race.

Goes Through Fast.

The program justified its /ariety and lthough there were intervals, they were unavoidable, and the bill went were unavoidable, and the bill were through fairly fast.

The girls' softball teams' relay race proved one of the features. The win of the Arrows was not expected by the crowd, as they were much smaller girls than the others, but they gained nany yards by having been coached in picking up the baton.

Walter Dutton, who carried off several off the individual championships of the

the individual championships of the A. A. A. in past years showed the form which made him one much of the form which made him one of the city's outstanding athletes in prewar days. He took the running broad and 120-yard hardles handily enough. The bike events proved a big attraction. Gerald Davies took the feature pedalling event, the five-mile open, in 13:08 against a good field.

in Hard-Fought Games.

The London tennis team held the much-feared Windsor team to a tie. each winning three matches on the London Tennis Club courts on Saturday. Einar Rechnitzer, newly crowned city champion, found Jim Cummings, the Windsor star, in too good ferm and lost one of the two singles matches that went to the borderers. Cummings' overhand was working with terrific force, and he scored many aces on his services. While Cummings is the highest ranking player of the visitors, several of his clubmates have taken his measure this season, and therefore the Londoner's stand Saturday is all the more noteworthy. Olaf Rechnitzer won a hard-fought game against H. Crompton,
