A DIFFERENT NIEW.

The Russian Army Organ Does Not Think a Great Battle Imminent. St. Petersburg, June 30, 10.30 a. m.-The Eussky Invalid, the army organ, ural, as two Cossack officers were on is the notable significant exception o the popular belief that a great batle is imminent. It gives no intimation that it is General Kuropatkin's purpose to fall back and not try conclusions, but sees in the developments of June 26 and 27 evidence that the Japanese themselves do not contem plate a decisive engagement. The paper also expresses the opinion that he massing of armies in the direction of Hai-Cheng and Siu-Yen is for the purpose of assuring the Japanes cupation of the whole of the Liao Tung Peninsula, and control of the failroad This, however, is believed to be im- for an advance on Liao Yang, at th Heavy rains continue. The roads gether with the siege of Port Arthur through Manchuria are quagmires, it regards as the first stage of the and it is all but impossible to move Japanese campaign. The Russky In valid therefore considers that the movement from Feng Wang Cheng toward Liao Yang is merely a demonstrative menace against the Russia the of communications north of Liao examiners have several times gone for as I have clear up the discrepancies in the reports of the theatre of operations, due to the apparent confusion of Chines: names and foreign maps, especially regarding the three passes mentioned ined Liao Yang by the East Line road.
