NEW SLEEPING CAR SERVICE ON C. P. R.

Official Announcement Made Concerning Accommodation on Trains

The Canadian Pacific railway summer time card goes into effect at 24.01 o'clock on Sunday next, and from that time on there will be a change in the times of arrival and departure of transcontinental trains at Vancouver. When the new time-card goes into effect there will also be a number of changes in the operation of the first class and tourist sleeping cars in connection with the transcontinental train service.

Train No. 2, which leaves Vancouver at 7:30 a. m. daily, will carry a first class sleeper between Vancouver and Montreal, and a first class sleeper between Banff and St. Paul, with tourist sleeping cars on Mondays, Wednesdays and Fridays for Montreal, and tourist cars on Sundays, Tuesdays, Thursdays and Saturdays for Toronto.

Train No. 96, leaving Vancouver at 5 p. m. daily, will carry a first class sleeper from Vancouver to Montreal, a first class sleeper from Vancouver to Banff, and a first class sleeper from Mistou Junction to St. Paul. This train will also carry tourist sleeping cars on Sundays, Tuesdays and Saturdays to Montreal, on Thursdays and Saturdays to Toronto, and daily between Mistou Junction and St. Paul.

by dint of speed on her run from Kamloops to the coast. On Sunday two trains will depart for Montreal, instead of one as at present. Train No. 1, the new west-bound service, will leave Montreal on Sunday, but its first day of arrival here will be Friday of next week.

AUTOMOBILE MISHAP

Paris, May 28.—Mary Carnen, of the opera Comique, who is to create leading parts in operas in the Manhattan Opera House, New York, yesterday invited Oscar Hammerstein, director of the Manhattan, for an outing in her automobile in company with her sister. While passing through the Versailles the automobile was thrown violently against the curb as the result of the breaking of one of the wheels at the axle and Miss Carnen and Mr. Hammerstein received injuries which required attention of a physician, but which are not expected to be of a serious character.

DOMINION DAY

Undecided Whether Vancouver Will Celebrate or Not.

Vancouver, B.C., May 28.—Is there to be a Dominion Day celebration here? At present it looks as if there will be no organized programme on July 1, and from inquiries made among some of the promoters of former Dominion Day celebrations, the reason is not far to seek.

"The work of organizing a day's amusements on July 1," said Mr. J. J. Banfield, "is a very hard, and sometimes thankless task. Unless a start is given the movement by a grant from the city, I do not think there will be any official celebration this year. I gather that the matter has already been before the council, and it has decided that it is not possible to give any grant towards a celebration. This in itself is an obstacle in the path of any programme, and again there are no longer any workshops on the station, and this is a great loss, for not only did the ships form a great attraction, but the bluejackets could always be relied on for some interesting displays and contests."

Thus the position seems to be that the citizens look to the city to make the first move, and the city would like to see the citizens initiate the preparations for Dominion Day.
