DALHOUSIE

Dalhousie, Oct. 29.—The revisors for the Town of Dalhousie, held their final meeting on Saturday evening and the lists as prepared by them for the Town and Point St. Charles district all to vote in the shiretown, show a very large vote. The lists contain 732 names of men and 419 names of women.

Councillor John Dickie, was in town on Saturday, on his way to Kel River Crossing, where, after revising the lists, he will complete their work of revising the lists for the Parish of Dalhousie. Mr. Dickie, McDonald, Shannon Vale, the government revisor deserves great credit, for the pains he took, to see that every name would be on the lists. This was a different matter, especially with the new Act passed last session, giving every woman of 21 years of age the right of franchise. There is also a large vote in the parish of Dalhousie, so many families, having during recent years, made their homes at Dalhousie.

John Robert Reid, son of the late James Reid, M. P., was in town recently. He arrived from Vancouver, a few days ago, to look after the estate of his late brother, James A. Reid. The many friends of the Reid family in Restigouche County, are expressing the wish that John Robert Reid will decide to make his home for the future in his native county. He is a shrewd business man, with winning ways and he would be a great addition to the prosperous population of the parish of Colbourne, and a man of influence for Restigouche.

Mr. and Mrs. Francis Godin, of Dalhousie, are celebrating the 25th anniversary of their marriage to-day. They are surrounded by their four children, who give splendid promise for the future. Their only daughter, Miss May Godin, is a very popular sales lady in the Dalhousie Mercantile Co., store and her brother Wilfred is teller in the Royal Bank. The happy couple have the good wishes of their many friends on this occasion.

Miss Bernadette Young, East Bathurst, is visiting her sister Mrs. Albert Boudreau. Her mother Mrs. Peter Young, East Bathurst, is here this week also, the guest of her daughter, Mrs. Albert Boudreau. The amiable family have the sympathy of many friends in the great loss sustained by them recently in the death of Adelard Boudreau. He came to visit his brother, Albert Boudreau, night agent, at the Dalhousie Station, and one of the heroes in the great war, and became ill during his visit here, and died in Dalhousie. He gave promise of a most useful career. He had been a student at St. Joseph College, Memramcook, last year, and it was only his delicate state of health that prevented him from going on with his course this year. When the remains were removed from the home here to the station, to be brought to West Bathurst, for interment, the six pall bearers were mostly all school children. Rev. Sister Rose, of the Sisters of Charity, of the N. S. arrived here just in time to see her late brother, before he passed away.

Quit Laxatives, Purges; Try NR

NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, colored oil, purges, and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary. Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a box of Nature's Remedy (NR Tablets) and take one each night for a week or two. NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleansing out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best. Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

FAIRBANKS DOES

SOME NEW STUNTS

A Suitscase Full of New Tricks in "The Knickerbocker Buckaroo." Douglas Fairbanks has a suitcase full of brand new stunts that he introduces in his next picture, "The Knickerbocker Buckaroo," which is to be shown at the Opera House next Wed. and Thurs.

Douglas has been in constant training with Bull Montana, Spike Robinson and Kid McCoy and, to quote the screen athlete, "I was in the pink of condition when I made this film."

His latest Artcraft release takes him out West, where in an effort to be unselfish and do things for other people, he gets into various melodramatic mix-ups that create their own comedy incidents.

While Fairbanks is usually of an enthusiastic nature, he feels that "The Knickerbocker Buckaroo" gives him greater opportunities than ever afforded him before in his screen career.

He purchased a new horse, having retired "Star" from active service and was in daily practice with it before the start of the regular day at the studio, getting acquainted and trying new stunts.

"I HAVE PROVED"

Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it. In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk."

Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

CANADIAN NATIONAL RAILWAYS WILL JOIN CAMPAIGN

Energetic Campaign to be Carried on To Boost The Victory Loan

Over All Parts of the Government System—Every Employee a Bondholder.

"Every Employee a Bondholder in the 1919 Victory Loan."

This is the keynote of the campaign that is being carried on over the entire system of the Canadian National Railways to further the Bond Issue.

From the Atlantic to the Pacific the employees of the great system of railways under government control and operation are being urged to join in the movement to boost the Victory Loan and to invest their savings so that Canada may be enabled to carry on the stupendous task of reconstruction—and make payment of her Debt of Honor.

The railway employees are being asked to join with all true Canadians in the great effort to restore Canada commercially, to help her keep her

factories busy and her farms productive.

The proceeds of this Loan will be spent in Canada, for capital outlay in ship building and in purchase of rolling stock and steel rails for our railways. It will be used to establish the credit whereby European Nations hungering for our products may be supplied, thus stimulating our export trade, and giving employment to countless thousands. Canada asks her people to lend—not to give their money. The Victory Bonds bear interest at 5 1/2 per cent, and no better investment for savings could possibly be found.

The Railway has again arranged with its bankers to finance the subscriptions of employees on the extended payment plan based on payroll deductions of ten (10) per cent monthly. The Management of the Canadian National Railways has addressed an appeal to all employees asking their co-operation, and the railway organization is being completed to carry on the campaign in every section of the Railway system.

"No interference can now be made with the stock of liquor in your home. That's not what's bothering me. It is the problem of getting it there."

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderrine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life, eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderrine tonight—now—any time—will surely save your hair.

Get a small bottle of Kewlton's Danderrine from any drug store. You surely can have beautiful hair and lots of it if you will not try a little Danderrine. Save your hair! Try it!

HERE'S A HOW DYE DO! GIRL IS KIDNAPPED AND WEDDED TO A HERMIT!

When a sixteen-year-old girl is kidnapped by a man she neither knows nor cares for and is forced to marry him and thereafter leaves her husband without even knowing his name, it is to be expected that interesting developments will occur. This is simply proved by the story of "Good Gracious, Annabelle!" in which Billie Burke, the dainty Paramount star, will appear at the Opera House on Friday and Saturday.

This picture story is one of the best in which Miss Burke has been seen since her entrance into the silent drama. It is a picturization of the eminently successful play written by Clare Kummer, a young playwright of New York and it was produced at the Republic Theatre, New York City, October 31, 1917, with gratifying results, to the author and theatre management.

The story has a Western atmosphere which changes to the East, whither Annabelle Leigh, the heroine goes and subsequently after a lapse of seven years, is followed by her husband, a hermit miner who has become enormously wealthy, with the result that they meet in peculiar circumstances. When their relationship is established, they find happiness in their mutual love.

The picture was directed by George Melford, and many notable players appear in the cast, the leading man being Herbert Rawlinson. Other players in Miss Burke's support are Gilbert Douglas, Crawford Kent, Frank Losee, Delle Duncan, Olga Downs and Billie Weston, all players of ability and reputation.

"Then you never kick about household expenses?"
"None."
"How is that?"
"My wife would tell me to run the house."
