as teginice in the respiratory organs treated by "Medical Inhalations," combined with proper con-stitutional remedies for the blood, etc. Below we give a sample of the thousand and one letters received at the Institute-with a special request that they be published for the benefit of humanity:

letters received at the Institute-with a specasi request that they be published for the benefit of humanity: From Rossars Rossars, Esq., of Oil Springs, Ont,, under date of March 29th, 1883:-From my own personal experience in a case of bronchial catarn, I would recommend your treatment to all who suffer from diseases of the respiratory organs. I was creatly annoyed, and sometimes distressed, for want of breath, and have no doubt sconer or later the disease would have gained the mattery over me. Immediately after commencing your remedies I felt a favorable change taking place, and in a month afterwards I could breath as free as ever. I have no doubt but that my cure was chiefly due to your "Medicated Inhalations," but I must also add that the blood remedies you sent me seemed to be of the most powerful nature and greatly sided in the cure. Wishing you continued success in your useful career, I remain, vouy truly yours, ROBERT ROBERTS. Trobably no institution of the kind has received like recognition by the medical profession and by the people throughout the civilized world as has the Omitain and increasing interest in the institution that patients visit it from every part of the Domini n, and many from the Eastern and Middle States, che majority of whom come through the influence of their fauly physicias. It is therefore testinable that those who desire treatment should , wit the Institut personally for consultation and ex. wnination; but where it is impossible to do so may write for "List of Questions" and "Medical Treat is," by addressing
