or did they transmit before Jan. 15 their annual report to the Education Department? We are animated by no hostility to the trustees, but we are most decidely opposed to the present system. The time has come for the taxpayer to put his foot down. Our local members should move in the matter and get, at all events, permissive legislation allowing or did they transmit before Jan. 15 their which, while eminently natural, are in all events, permissive legislation allowing the consolidation of our city school system. Why should there be two office staffs, two sets of teachers, two sets acting on its own account, ought to be of schools doing the same work? The able to discourage and discard the Minister of Education is fair-minded enough to see that it would be unjust to continue the system. He will not and cannot be expected to act of his own motion. Our members must do their distributions. We let the system with the continue the system with the continue the system. He will not and cannot be expected to act of his own motion. Our members must do their time now. The people have had an one of the continue the system with the continue the system. He will not and cannot be expected to act of his own motion. Our members must do their time now. The people have had an one of the continue the system when a system with the continue the system. He will not and cannot be expected to act of his own motion. Our members must do their duty. We look to them to follow, up this matter this session, The men who agitation. They have no objection to
