To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose ed very vaulable services to the Company during their term of office. Mr. Grant's place on the Board had been filled by the appointment of J. H. Anderson, and the shareholders would be asked at this meetgiven the baby to keep his stomach and bowels working regularly. This will not fail to break up colds and keep the health of the baby in good condition till the shareholders would be asked at this meeting to appoint a new Director in the place on Donald Sutherland. He pointed out that the year, notwithstanding the fluctuation of the money market, owing fluctuation of the money market, owing the fluctuation till the baby in good condition t
