

The Happy Thought Range

Over 50,000 in use in Canada,
and every user pleased

•••

It is said that the cooking apparatus is the most important article in any household. Then why not have the best? The Happy Thought Range combines perfection of operation with ease of management, it is always ready for work, and has more features of utility and convenience than were ever before combined. Other ranges may be sold for less money, not enough to make the Happy Thought extravagant, but sufficient to show its superiority. If you have any difficulty in getting particulars from your dealer, drop a card to the manufacturer.

WE REFER TO OUR FENCE

AS A TESTIMONIAL OF ITS VALUE.

Page Fence is now sold and used in nearly every county in Ontario, and is in the lead everywhere. "I will use nothing else" is the decision of hundreds of farmers who have seen and tried it. Our standard fence has eleven steel horizontal wires tied together every foot. It costs no more than is charged for half or two-thirds as many wires in other fences. Our free illustrated monthly paper tells all about it. Ask for it.
