

PRACTICAL OFFICE WORK

WE believe our graduates should be familiar with everything pertaining to office work, and we have recently established, in connection with our school, a practical office for the training of our graduates. We not only teach the theoretical side of shorthand and typewriting, but also the practical part, and for this reason our graduates are keenly sought after by business men who desire the best and are willing to pay good salaries. This is only one of the many special features which make our school so well and favorably known. Let us send you our Catalogue descriptive of our different courses. It is free for a postal. In it you will find many reasons why you should attend the
