**COMMENTARY on the BIBLE**

A carefully revised and corrected edition, with an Introductory Essay.

Six Imperial Octavo Volumes,

Strongly Bound in Cloth, is sold by

**\$8 NET PER SET.**

In this edition the Notes as well as the Text are printed in clear and distinct type. Each chapter is summed up in its contents; the sacred text inserted at large in distinct paragraphs; each paragraph reduced to its proper heads, the sense given and largely illustrated.

Just think of it—SIX LARGE VOLUMES, containing in all One Thousand Four Hundred and Sixteen pages of valuable matter, such as one finds only in "Matthew Henry," offered at \$8.

This is indeed a Golden Opportunity

By special arrangement made with the English publishers we are placed in a position, FOR A LIMITED TIME ONLY, to make this offer. Avail yourself of it once, as it may not occur again. Do not confound this edition with the old ponderous unwieldy nine-volume one; ours is the Latest Edition Published.

### S. S. LESSONS FOR 1890.

THE PEOPLE'S

### COMMENTARY

### ON THE

### GOSPEL OF LUKE.

By THE REV. EDWIN W. RICE, D.D.

Full Text of the Authorized and Revised Versions, with complete Critical, Exegetical and Applicative Notes, clearly explaining the Gospel.

### REASONS WHY

Every Pastor, Teacher, Student, and Reader of the Bible should have it:

- 1.—It presents convincing Biblical and Historical testimony in regard to the author and authority of Luke's Gospel.
- 2.—It has an able, scholarly and interesting account of the composition, language and vocabulary of the Gospel, not to be found elsewhere.
- 3.—It applies the latest results of Biblical research and knowledge to the interpretation of the text of the Gospel.
- 4.—It aids every one to read the Gospel as if he were in Palestine, and familiar with the scenery, people and habits of life, speech and thought common there when Jesus was upon the earth.
- 5.—The comments are grouped under topical divisions of the text, and under each verse, also, for quick reference, followed by suggestive lessons for the use of the preacher and teacher.
- 6.—The text of the whole Gospel in the two Versions, "Authorized" and Revised, is given in full at the foot of the page.
- 7.—The Notes are evangelical, sound, non-sectarian, representing the best thought of eminent Biblical scholars from the early Christian fathers until now, carefully sifted and concisely stated for the ordinary reader.
