Rev. P. C. Headley, 697 Huntington
Avenue, Boston, U.S.A., April 2nd, 1894,
writes:

"I have found the Acid treatment all
it claims to be as a remedy for disease.

"While it does all that is stated in
the descriptive and prescriptive pamphlet,
I found it of great value for bracing effect
on part of the acid to ten of water ap-
plied with a flesh brush, and towels after
it; also as an internal regulator with five or
six drops in a tumbler of water. I
should be unwilling to be without so re-
liable and safe a remedy.

"I wonder that no mention is made
in the pamphlet of the sure cure the Acid
is for corns (applied once or twice a day),
so many are afflicted with them. It was
death to mine."

FOR COMMUNION PURPOSES.

BRITISH DOMINION WINE.

Manufactured from the Best Canada Grapes
without the use of either artificial coloring or
distilled spirits in any form.

After repeated chemical analysis of the Wines made
by Robert Bradford of No. 595 Parliament St., Toronto,
I do not hesitate to pronounce them to be unsurpassed
by any of the native Wines that have come under my
observation.

Analyses show them to contain liberal amounts of
cholesterol and saline elements, sugar and tannic acid
etc., characteristic of true Wine and which modify
materially the effects which would be produced by
alcohol alone.

Respecting to a high degree the natural flavor of the
grape, they serve the purpose of a pleasant table Wine
as well as that of a most valuable medicinal Wine.
