We meet no more as once we met, when life was
 It brings me back the vis-ions sweet, that nev-er

p

bright and fair, Our lives are sha-dowed with re-gret, our hearts are
 now may be, A-gain I hear your lips re-peat, their words of

filled with care..... Though far a-part, our paths are cast, one
 love to me..... But why re-call the past a-gain with
