**THE BOILER INSPECTION & INSURANCE CO.
OF CANADA,**
Toronto, Ont

Dear Sirs:—

In 1912 we secured a policy in your company on the boilers in our Mill at Spragge, and altho we installed an entirely new Battery last winter we are still keeping up our Insurance as we feel convinced that the assistance and advice we get from you is fully worth what we pay you for our Insurance apart from the feeling of security against accident by explosion.

Yours truly,
