III. Amended and Additional Regulations concerning Superior Schools.

NOTICE IS HEREBY GIVEN to Teachers of the First Class, Trustees of schools and others, that CHAPTER V. of the CONSTITUTION AND REGULATIONS

OF THE COUNCIL OF PUBLIC INSTRUCTION, "Of Superior Schools," has been revised as follows:—

1. In lieu of sub-divisions (2), (4), and (10) of SECTION 3—
- (2) Ample School accommodation must be provided for all children of school age in the Section.
- (4) The furniture must be of an approved pattern, and the supply of books, apparatus, and school materials, sufficient for and adapted to the wants of the school.
- (10) a. School must have been kept at least 100 days during the term.
- b. At least three-fourths of the children of school age must be registered at school.
- c. The number of pupils daily present on an average, must be at least two-thirds of the number registered.
2. In Sections having Graded Schools, tests referring to school buildings, furniture, books, apparatus, and school materials, shall apply to all the departments. The number of registered pupils daily present on an average, shall apply to all the departments in the aggregate.
3. In the case of Graded Schools, the Council will determine which department shall be eligible to compete in any term; and notice of the same will be given at least three months previous to the commencement of such term. Any department of a Graded School shall be examined only upon such subjects as are suited to its grade.
4. Agreements respecting Teachers' salaries must be regular in every respect.
5. As one-half of the grant to any superior school is payable to the Trustees and one-half to the Teacher, in deciding the competitions two elements will be kept in view as the basis of all awards:—
First—The character of the school accommodation, general equipment, school attendance; and generally, all matters wholly or chiefly under the control of the SECTION.—
Second—The organization, management, discipline, and progress of the school; and generally, all matters wholly or chiefly depending on the ability and diligence of the TEACHER.—
And these two elements will be regarded as of equal force and importance.
6. The foregoing Regulations shall take effect on the first day of May, 1868, and all existing Regulations not inconsistent with the foregoing shall continue in force thereafter.

In pursuance of the above Regulations, Trustees and Teachers of Graded Schools are hereby notified that the Council of Public Instruction has determined that the most ADVANCED Department shall be eligible to compete during the term beginning May 1st, 1868; and the most ELEMENTARY Department during the term beginning November 1st, 1868.

IV. Evening Schools.

The Council of Public Instruction has made the following Regulations in reference to Evening Schools:

1. Trustees of Public Schools may establish in their several Sections Evening Schools, for the instruction of persons upwards of 13 years of age, who may be debarred from attendance at the Day School.
2. Such Evening School shall be in session 2½ hours; and in relation to Public Grants, two evening sessions shall count as one day. The prescribed Register shall be kept, and a Return of the school made in the form directed by the Superintendent.
3. Books and School materials for such Evening Schools will be furnished.
