ANOTHER GRAND SUCCESS

FOR THE

Williams Manufacturing Co'y.

They have just carried off three silver medals, two bronze medals and three first prizes at the Centennial and Dominion Exhibition at St. John, N. B. The medals were awarded for improvement in sewing machines and the prizes for best samples of work done on the grounds. This grand success proves beyond dispute that the Williams Company's sewing machines are to-day, as in years past, the leading machines in the market, and intending purchasers will do well to make a note of these facts. The Williams Co. have, in a few short months, rebuilt their factory which was destroyed by fire last Spring, and are now turning out, as usual, the best sewing machines in the world.
