

Dr. Pingel, Office, 354 Dundas st.,
LONDON, Dec. 2, 1891.
Bro. Gillett:

DEAR SIR,—At your request, I carefully examined Bro. Carrothers, of Perseverance C. O. O. F., M. U., who has been unable to perform any labor for several years, and find him suffering from the results of cerebral hemorrhage (extravasation of blood into brain). As no improvement has taken place for some eighteen months, I have no hesitation in pronouncing him permanently disabled.
Yours fraternally,
A. R. PINGEL.

"After that," said Mr. Gillett, "we went for Grand Master Collins, to consider what we should do. We then learned that Bro. Carrothers commenced taking Dr. Williams' Pink Pills, and they were doing him good. So we decided to furnish him with a supply, and await developments. You know the result. He is better now and at work again. The lodge unanimously moved a vote of thanks to the proprietors of Pink Pills, and it was forwarded to them.

"I have known Bro. Carrothers for years. He was always, until his last illness, a strong, healthy man, and it seemed strange that he should be stricken down so. He had a terrible siege of it. You see the knife (pointing to one on the table); well, if he tried to pick it up he couldn't do it to save his life. He was completely paralyzed."

Turning to the lodge records again, Mr. Gillett produced a book, and showed the reporter the entries made week after week, for three years and over, of the payments made to Bro. Carrothers as sick benefits. The worthy secretary intimated that any other information desired he would cheerfully furnish, but the reporter had had enough to convince him and left.

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus dance, nervous headache, nervous prostration and the tired feeling therefrom, the after effect of influenza, grippe, influenza, and severe colds, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, over-work or excesses of any nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cts. a box or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are all cautioned against all other so-called blood builders and nerve tonics, no matter what name may be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the

wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies of medical treatment.
