Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its curres, many of which are truly marvellous. Invotorate cases, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous effection of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vials. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by cruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this Sarsaparilla is advisable, cure, by the use of this sarsaparilla is advisable, cure by the use of this sarsaparilla is advisable, cure by the use of this sarsaparilla is advisable, cure when no active symptoms of disease any cured by it, though a long time is required for subduing these obstinate maladies by any medicine. Ayer's Hair Vigor,

For restoring Gray Hair to

its natural Vitality and Color. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin Itair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
