SICK HEADACHE, NERVOUS HEADACHE, AND BILIOUS EHEADAORE, all proceed from derangements of the stomach and liver, and no medicine yet discovered, so certainly, speedily, and thoroughly cleanses, tones and regulates these organs as BRISTOL'S SUGAR-COATED PILLS. The warrant for this unqualified assertion is a mass of testimony, which any jurist in the land would pronounce conclusive. For example . Edward Warren, of Clinton street, Brooklyn, writes, under date January 14, 1862;—'After having suffered eight years from constantly recurring sick headache, two vials of BRISTOL'S SUGAR COAT-ED PILLS cared me. This was five months ago, and I have had no relapse. Mrs. Mary Wilson, wife of Robert Wilson, of Great Jones street, New York, says: Your Pills have restored my enjoyment of life. I had been in almost constant misery with bilious headache for many years. No Medicine seemed to touch the complaint until I tried your Pills. They have not only banished the disease, but wonderfully improved my general health.'They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. 430

Dear Sirs, - Last fall, my wife was attacked with

Pleurisy in a severe form, so that she was helpless,

and I felt doubtful of her recovery. By reading one of your almanacs which was left at the house, she was induced to try BRISTOL'S SARSAPARILLA.

After taking two bottles she began to experience re-

which were recommended to be taken with the Sar-

The relaxing heats of summer leave behind them a

long train of evils. The most universal of these are

general debility, and its sure attendant, lowness of

spirits. For these we can recommend a speedy and

nnfailing cure in the shape of Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadel-

phia. It is, in our opinion, a medicine sui generis-

alone, - unapproachable. It seems to reach the

fountain head of the difficulty in the digestive or-

ganization, and thus to relieve the secretions and

blood of the maceries morbi, or cause of disease. Its

tonic properties gives vigor to the membranes of the

stomach, and promote the secretion of the gastric

juice, which dissolves the food, while its cordial,

soothing, and alterative influence, imparts general regularity and strength to the action of the secretive

organs, and seems to fortify the constitution. Such

is our own experience of its effects, and we believe

it is confirmed by the evidence of all who have tried

it, or had an opportunity of witnessing its operation.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfort-/able? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disor-dered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derongement of the Liver,

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

"THE LAMP,"

New and Improved Series, in Weekly Numbers, price ld. In Mouthly parts, price 6d. The Lamp in

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taked.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfinitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got-up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality-the success of the Catholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respeneetive political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain superiority.

The LAMP has now the largest Circulation of any Oatholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

New Bedford, Mass., Nov. 24, 1863. Dear Sir: —I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Piantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq, of 159 West 14th Street, N.Y, says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, azd has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.
