Mercantile Summary.

A CARGO of coal from Sydney C.B., has found
its way to Singapore in an American barque.
How the venture resulted is not known.

No LESS than eleven vessels are on the stocks
at Shelburne, N. S. Four of these are ships of
over 1000 tons each. The balance are Clipper
Brigantines for the West India trade, and
Schooners for the fisheries.

THE firm of John Northup & Sons, of which
Senator Northup is a member, which has had a
successful career of over 40 years, in Halifax,
advertises its retirement. This house is very
wealthy, and its success is the result of honor-
able dealing and hard personal work, as General
Merchants.

Messrs Schreiber and Burpee the Engineers
and Contractors of the Prince Edward's Island
Railway, claimed close on \$200,000 for delays
in connection with the works and the claims
having been submitted to arbitration the amount
has been very much reduced, the final award
being \$16,500 with which they are forced to be
content.

THE principal creditors of E. D. Jewett &
Co., and Scammell Bros., of St. John, have
agreed to accept 20 cents cash and 10 cents on
time with security. These firms stated their
ability to pay in full if time was given. With
these estates in a fair way of settlement the
lumber interests of the St. John river, which is
three-fourths of New Brunswick, feels a heavy
load removed.

THE published list of creditors of the young
house of Robertson, McLeod & Co., of Halifax,
shews their liability to be upwards of \$305,000,
