**Mercantile Summary.**  
 THE coffee crop of Rio de Janeiro—the great coffee market—is said to be very light this season, the prospect being for only 1,500,000 bags, against twice as much last year.  
 A NEW Bank is being projected here, with Toronto as its headquarters. It is rumored that one or more of the Quebec banks are about to establish agencies in the West.  
 LARGE OIL STRIKE.—A private telegram from Petrolia, dated Aug. 31st, says that Messrs Wright & Co have struck a 100 barrel well on their property.  
 A GENUINE scoundrel is a man who, by his sanctity, has obtained credit; and, through religious professions, keeps back property from his legitimate creditors.  
 JACOB UPPER, a postmaster, and an old and respected merchant of St. Ann's, Lincoln Co., recently died at a ripe old age, much respected in his locality.  
 CONRAD SEBERT, a German blacksmith, at Union, Elgin Co., has recently left. Some say that he has gone to "Vaterland" in search of a fortune, but his creditors seem to hold a different opinion, especially as what he leaves behind is barely enough to pay a moiety of his debts.  
 MR. ASHTON, a book-keeper in the employ of Messrs. Cox & Co., of Toronto, had his honesty rather too severely tested one day this week.
