

The Coldstream Estate Company, Limited

VERNON, B. C.

We have on sale or about 700 acres subdivided into lots of from one to twenty acres of this magnificent fruit land.

An efficient irrigation system is in operation, which gives an untiring supply of water for the fruit. In addition to this there is a domestic water and telephone system. About ten acres of the estate is used as a nursery from which the best varieties of apple and pear trees can be procured at prevailing prices. A large portion of the land will have to be sold already planted in one and two-year old trees.

The Coldstream Estate is one of the most highly cultivated and productive fruit ranches in the Okanagan District.

For full information regarding prices and terms apply to:
