FORWARD STEP

IN THE INTERESTS OF

Muskoka Free Hospital for Consumptives

The growing interest in the out-door treatment of tuberculosis makes the present time opportune for the publication of a journal devoted to the gospel of fresh air.

The National Sanitarium Association has led in the building of Sanatoria for Consumptives in Canada.

In educational propaganda it has ever been in the fore.

The Tuberculosis Exhibition held in Toronto for two weeks during the past year, and that created widespread interest among the medical profession and laymen, was brought here on the direct initiative of the National Sanitarium Association, and all expense was borne by this Association.

With this record for aggressive work in the interests of the consumptives of Canada it is, perhaps, natural that the N. S. A. should take the further forward and important step indicated in the publication of a monthly magazine devoted to the advocacy of these ends.

And here is the CANADIAN OUT-DOOR LIFE to fulfil this mission. Are we to have your aid? Are we to count you a subscriber now?

One dollar contributed to the funds of the Muskoka Free Hospital for Consumptives makes you a subscriber to CANADIAN OUT-DOOR LIFE for one year.
