Mrs. Berryman Nicholson, the well known vocalist, whose home is in Toronto, has been singing with marked success in the city of Quebec, and the Morning Chronicle has this to say of her: "That grand solo 'For all Eternity' (with violin obligato by Mr. Lavigne) was delightfully rendered by Mrs. Berryman Nicholson, whose beautiful, flexible voice completely captivated everybody. She scored a brilliant success in her second number, when the applause was so great that she again appeared and sang the dainty ballad 'Confession' with rare delicacy."

A Grateful Letter.

A PRINCE EDWARD ISLAND LADY SPEAKS FOR THE BENEFIT OF HER SEX.

Had no Appetite, was Pale and Easily Exhausted—Subject to Severe Spells of Dizziness, and Other Distressing Symptoms.

TIGNISH, P.E.I., May 30th, 1895.

To the editor of L'Impartial:

Dear Sir,—I see by your paper the names of many who have been benefitted by the use of Dr. Williams' Pink Pills. I feel that I ought to let my case be known as I am sure that many women might be benefitted as I have been. For a number of years I have been almost an invalid. I did not know the nature of my malady. I had a tired feeling, being exhausted at the least exertion. I had no appetite and was very pale. I sometimes felt like lying down never to rise. A dizziness would sometimes take me causing me to drop where I would be. During these spells of

A Dizziness would Overtake me.

dizziness I had a roaring sound in my head. I took medical treatment but found no relief. My husband and father both drew my attention to the many articles which appeared from time to time in your paper concerning the cures wrought by Dr. Williams' Pink Pills. At first I had no faith in them, in fact I had lost faith in all medicines and was resigned to my lot, thinking that my days were numbered in this world. Finally, however, I consented to try the Pink Pills. I had not taken them long before I felt an improvement and hope revived. I ordered more and continued taking the pills for three months and I must say that to-day I am as well and strong as ever and the many ailments which I had are completely cured. I attribute my complete recovery to the Dr. Williams' Pink Pills and hope by telling you this that others may be benefitted by them.

MRS. WILLIAM PERRY.

After reading the above letter we sent a reporter to interview Mrs. Perry and she repeated what she had already stated in her letter. Her husband, William Perry, and her father, Mr. J. H. Lander, J.P., and fishery warden, corroborated her statements. —Ed. L'Impartial.

Dr. Williams' Pink Pills for Pale People make pure, rich blood, restore shattered nerves and drive out disease. They cure when other medicines fail and are beyond all question the greatest life-saving medicine ever discovered. Sold by all dealers, but only in boxes the wrapper around which bears the full trade mark: "Dr. Williams' Pink Pills for Pale People." Pills offered in loose form, by the hundred or ounce, are imitations, and should be avoided, as they are worthless and perhaps dangerous.

BANKRUPTCY

—of the physical being is the result of drawing incessantly upon the reserve capital of nerve force. The wear, tear and strain of modern life are concentrated upon the nervous system. The young men of our day become sufferers from nervous debility or exhaustion, nervous prostration or weakness. This may be the result of too much mental worry and excitement, or the result of bad practices and excesses, or pernicious habits, contracted in youth, through ignorance. They feel irritable, weak and nervous with such distressing symptoms as backache, dizziness, shooting pains in head or chest, sometimes indigestion. The middle-aged men, as well, suffer from exhaustion, loss of manly power, low spirits, impaired memory, and many derangements of mind and body. The ill-used brain is morbidly wide awake when the overworked business man attempts to find rest in bed.

The physicians and specialists of the Invalids' Hotel and Surgical Institute devote their best energies to reclaiming and restoring such unfortunates to health and happiness. They have written a book of 168 pages, treating of these maladies and setting forth a rational means of home-treatment for their cure. It is sent *securely sealed, in plain envelope*, on receipt of 10 cents for postage.
