

furnish the Administrator in writing with the authorization, including the period of its duration. Notwithstanding the authorization made under this paragraph, the nationals so appointed shall be considered, for the purposes of sub-paragraphs (i), (ii) and (v) to be nationals of the original Party authorizing the departure.

(xi) In making appointments under sub-paragraphs (i), (ii), (iii) and (v), the Administrator shall ensure that the administrative, scientific and technical staff of the Headquarters of the Organization, and the scientific and technical staff of each control post, shall be so composed that the total number of nationals of the USSR and of countries associated with it shall be equal to the total number of nationals of the United States and the United Kingdom and of countries associated with either of them.

(xii) Any adjustment to the proportions in sub-paragraphs (i), (ii) and (v) above, which may be unavoidable for practical reasons, shall be kept to the minimum, and a compensating adjustment shall, whenever possible, be made elsewhere in the System.

D. Regulations governing the appointment, remuneration and dismissal of staff shall be approved by the Commission.

4. The Administrator shall prepare for the Commission the budget estimates of the Organization.

5. The Administrator shall develop and arrange for the execution of a program of research and development for the continuing improvement of the equipment and techniques used in all components of the System, and shall from time to time make recommendations to the Commission regarding improvements to be incorporated in the System. The program may, with the approval of the Commission, include detonations performed to test the effectiveness of the System. Any nuclear detonations for this purpose shall be conducted under the procedures set forth in Article 13.

6. The Administrator shall prepare recommendations for approval by the Commission regarding:

A. specific sites for all components of the System
