PRAYERS

Mr. Forget, from the Standing Committee on Miscellaneous Private Bills and Standing Orders, presented the First Report of the said Committee, which is as follows:

Pursuant to its Orders of Reference of Thursday, April 22, 1971, your Committee has considered the petitions for Private Bills of the following:

1. Central-Del Rio Oils Limited,
2. Mic Mac Oils (1963) Ltd.,

filed after the time specified in Standing Order 90, together with the Third Report of the Clerk of Petitions thereon tabled on April 2, 1971.

The Parliamentary Agents of the different petitioners stated that the delay beyond the time specified by Standing Order 90 was occasioned, in part, by factors beyond the control of their clients. Nevertheless, they declared that it is essential that the proposed legislation be allowed to proceed during the present session of Parliament. They therefore respectfully asked that these petitions be received.

After hearing the reasons given for late-filing of these petitions, the Committee recommends that Standing Order 90 be suspended, in relation thereto, and that these petitions be received. The consequent charges as pro-

vided for by Standing Order 91(3) (a) and (c) amount to \$300 in each case.

The petitions referred to above, together with the Report of the Clerk of Petitions related thereto, are returned herewith.

A copy of the relevant Minutes of Proceedings and Evidence (*Issue No. 1*) is tabled.

(The Minutes of Proceedings and Evidence accompanying the said Report recorded as Appendix No. 54 to the Journals).
