

MCGILL UNIVERSITY
MONTREAL

FACULTY OF ARTS
OFFICE OF THE DEAN

January 16, 1930.

Sir Arthur Currie, G.C.M.G.,
Principal, McGill University.

My dear Principal,

Professor Stanley is a graduate of Victoria
College and taught there at one time. Keys of the Physics Depart-
ment is a graduate of Trinity, and Leacock and Carruthers of University
College, Toronto. Collip is also a graduate of the University of
Toronto but I do not know his college. Obviously, in any case,
Stanley is the most likely person to represent McGill at Victoria.

Yours very truly,

Ira A. Mackay

Dean
