

The R. W. Prov. Grand Master was pleased in his own name, and on behalf of the Craft, to address R. W. The D. P. G. Master, in the following words:—

" R. W. Sir,

" It has been my fixed intention, ever since I had the honor of being installed P. C. M. for this district, to return you my most cordial thanks, for your kind and fraternal attention on that day, and should have done so long ere this, had this Prov. G. Lodge met in Quarterly Communication. I feel more particularly obliged to you, that on that occasion, you should have assumed the duties of a Prov. G. Chaplain, and afforded the Craft and myself an opportunity of admiring your talents, as well as your zeal, in the cause of Masonry. I now, therefore, in the presence of this Grand Lodge, take the opportunity, as well in my own name as in the name of the Craft, to thank you for your kind, prompt and able services on the 5th day of September last."

On motion duly made and seconded.—**OMNINO.**—That the sermon delivered by R. W. The D. P. G. M., on the 5th day of September last, should be published at the expense of this P. G. Lodge, and that the R. W. D. P. G. M. be authorised to draw upon the P. G. Treasurer, for the expense of such publication when completed.

The report of the Committee appointed for the revision of the Bye-Laws of this Prov. G. Lodge, and those Bye-Laws as amended and submitted by said Committee, were read.

Each section of said Bye-Laws, as amended and submitted, was separately read and approved, and the whole adopted as the Bye-Laws of this Provincial Grand Lodge.

V. W. HORATIO GATES was unanimously elected Provincial G. Treasurer.

Brs. J. S. McCord and William Badgley, Inspectors of Country Lodges, appointed by the Late Prov. G. Lodge of the 12th September, 1825, reported their proceedings under the said appointment.

R. W. Sir,

Pursuant to the Resolve of the Grand Lodge of the 12th of September last, and of our appointment of the same date, we, the undersigned visitors of Country Lodges, proceeded on our mission, and on Tuesday the 1st instant, arrived at St. Andrews, where the St. Andrew's Lodge, No. 5, is held. A Lodge of emergency was called for the Thursday following, when we had the pleasure of meeting the officers and members of the St. Andrew's Lodge, and communicating to them the wish of the Grand Lodge, that a uniform mode of work should be followed throughout its jurisdiction. The Lodge received the information with pleasure, and we proceeded to instruct them in the forms of opening and closing, and the work and lectures in the three degrees. The W. M., who is an active and zealous Mason, has promised to forward the introduction of the mode of work, as laid down by our instructions from the United Grand Lodge of England, and from the knowledge we have of his abilities, feel satisfied, that this important object under his guidance, will speedily be effected. We were particularly indebted to the kindness of M. Davis, a P. M. of that Lodge, for many attentions, and an introduction to many worthy Brethren.

Proceeding on our mission, we reached Hull sufficiently early to meet Columbia Lodge at its regular monthly communication on the 8th November instant: we rejoice that we are enabled to report our perfect satisfaction of the respectability of this Lodge, and the hearty concurrence manifested by it, with the commands of the Grand Lodge of this District: we had the pleasure of initiating and raising in this Lodge during our visit. We also instructed the W. Master in the mode of opening and closing the Lodge in the three degrees, and from the disposition of all its members to meet the wishes of the Grand Lodge, we cannot but anticipate the most pleasing results. To the W. M. Eastbrook and to P. M. Brigham, we are indebted for much kindness and civility, as well as to the family of our old and worthy Brother Philemon Wright, Esqr. On the whole, we cannot refrain from expressing our satisfaction at perceiving that every measure of the Grand Lodge, affecting Private Lodges, is most cordially assented to by every individual of the Crafts, whom we have had occasion to meet in the above Lodges: from the respectability of the members composing St. Andrews and Columbia Lodges, as well as from their education and general information, we feel confident that the attention and regard of the Provincial Grand Lodge to their Lodges, will most essentially conduce to the general interest and well being of the Craft.

The lateness of the season has prevented us from completing our visit to the remaining Country Lodges in this District, previous to the Festival of St. John; but we purpose so doing immediately after.

J. S. McCORD,
Wm. BADGLEY.

MONTREAL, 25th November, 1825.

M., for their zealous performance of the duties imposed upon them by the said appointment. All business being ended, the Provincial Grand Lodge was closed in ample form, and with solemn Prayer.
