Claiming that the Canadian Industria Peace Association aims at a condition of affairs which is not at present practiable, the Retail Merchants' Associatio Toronto will send a letter today to each member of the association warning them individually against the work of J. support to the movement shall, before doing so, apply for information at the office of the Retailers' Association. It points out that the promoter is not a resident of Toronto, also that the organization has been indorsed by nineteen clergymen representing the Christian denominations of the city.

Over the signature of E. M. Trowern, secretary of the Toronto branch of the Retailers' Association, it is stated that the retailers have investigated the proposed organization, and have further information to divulge.

The object of the organization proposed here would be the settlement of labor disputes and the eventual doing away of all industrial warfare. Among the prominent Canadians which "industrial Peace" mentions as honorary vice-presidents are: Hon. Sir John Gibson, lieutenant-governor of Ontario; Hon. T. W. Paterson, lieutenant-governor of Pritish Columbia; Hon. G. W. Brown, lieutenant-governor of Nova Scotia; Hon. L. J. Tweedle, lieutenant-governor of Nova Scotia; Hon. L. J. Tweedle, lieutenant-governor of Prince Edward Island.

Money Badly Handled.

E. M. Trowern, secretary of the Retail Merchants' Association of Canada, who was in Vancouver recently, stated to The World that while there he received a communication from Secretary J. Boudry of the Montreal branch of the Retail Merchants' Association asking him to investigate the activities of the Canadian Industrial Pease. Association in Vancouver, as efforts were to be made to establish a branch in Montreal. Secretary Trowern's findings were anything but satisfactory.

He states while in the Pacific Coast etty a large number of merchants who

ary Trowern's findings were anything but satisfactory.

He states while in the Pacific Coast city a large number of merchants who had subscribed money to promote the movement became suspicious of the financial condition of the Peace Association and held a meeting, which resulted in their abandoning their connection with the scheme at considerable monetary loss, Mr. Trowern states that, in-other words, they could not find a satisfactory explanation of where the money had gone.

WELL-KNOWN CATTLE DEALER DEAD

William James McClelland died at his residence, 55 Ritchie avenue, on Sunday afternoon, aged 68 years. Mr. McClelland had been engaged in the cattle trade nearly all his life, having established himself in that business as early as 1869. He exported stock to the United States in 1870 and 1871, and to England in 1877 in connection with Rogers, Lambert & Hallam. Since that time he had been actively engaged on the Toronto live stock markets up to within three weeks of his death, altho he had been in failing health for several months. He was of a quiet disposition, a true friend, and none in the trade was more highly respected than he. He leaves two sons, William and George, and one daughter, Mrs. Wallace Whitlock, with whom he resided at the time of his death. His wife and one daughter predeceased him a short time ago. The funeral will take place from 55 Ritchie avenue on Wednesday at 2.30 p.m. to Humbervale Cemetery.

Referring to the fact that the names of seven out of the nine lleutenant-governors of Canada were given as hon presidents of the association, he expressed the opinion that no doubt permission to use their names had been secured without their having looked into the matter very fully, and that Scullin had used their names as "decoy ducks" in obtaining funds.
