EFFORTS FOR GOOD

like "Dr. Jekyll and Mr.
Hyde," Wm. Barnes Has
"Good and Bad Sides."

SYRACUSE, April 23.—Theodore
Roosevelt was further examined
today in the suit for libel brought
against him by Wm. Barnes, leader of
the Republican party in New York.
The cross-examination has not been
completed at adjournment, and will be
continued on Monday, to which date
the case went over.

The colonel told about his dealings
with the "bosons," his personal re-
lations with Wm. Barnes, and his ideas
about campaign funds of millions of
dollars. He mentioned the famous
half-million dollars Thomas Fortune
Bryan contributed to the cause of Alton
B. Parker, Democratic presidential
candidate, and said he never had
seen a list of the names of the persons
who helped swell the fund of \$3,000,000.
In connection with his own cam-
paign for the presidency, he said he
was in speaking of the Ryan contribu-
tion, the witness gave it as his opinion
that a leader of big business who con-
tributes a half million dollars to a
elect a candidate for president of the
United States is prompted by the same
spirit which would cause him to
donate a similar sum to a church, and
that such a contributor has no more
hope of reward in one case than he
has in the other.

The colonel mentioned the Standard
Oil Company and campaign contribu-
tions, too. He said that if the report
investigated his campaign contribu-
tions showed that "H. H. R." and
J. D. Archibald—had contributed to the
Republican fund in 1904, he was aston-
ished to find that he had given explicit
instructions against receiving any
Standard Oil contributions.

Personally he expressed the belief
that there was a limit to the amount
a campaign fund should total. Over
a certain sum, he did not know how
much, he thought that there might be
some danger.

Col. Roosevelt would be regarded Wm.
Barnes as a "Dr. Jekyll and Mr. Hyde,"
who like other politicians had his
"good and bad sides." He said he
had been persistent in his efforts to
make politicians do what he considered
right, and that instead of the argu-
ments to sever the ligaments
between these Standard Oil twins of poli-
tics, "Dr. Jekyll" in them absorb the
"Mr. Hyde."

There will be no session of court
tomorrow, but Col. Roosevelt will re-
sume the stand Monday.

DREW BIG CROWDS

Proceeds Will Buy Motor Am-

AD MEN PROMOTED IT

Y. M. C. A. Boys Are Prom- inent in Nearly Every Display at Big Show.

"Altho we have not had a chance to
total the receipts for the two days, we
have great hopes of having enough to
buy the boys at the front, a motor
ambulance," said H. O. Edwards, as-
sistant secretary of the Toronto Ad-
vertising Club, at the close of the
circus and carnival held at the Arena
Thursday and Friday evenings.

The crowd last night far exceeded
that of Thursday evening, and the
displays were run off much more
smoothly. Every one of the perform-
ers seemed to have gained greater
confidence, too. A big feature was a
relay race between Central and
Broadview Y.M.C.A. central won by
a half a lap. The junior boys in the
hance drill on dummy horses created
much interest. The trombone choir,
under the baton of Lieut. John Slater,
was an excellent number.

Comedy Men Applaud.

All the comedy work went great ap-
plause. Mons. E. J. Hammond, who
did the high wire act, has the record
of walking the longest distance on any
high wire. Frank Wood's land div-
ing act was a very popular event.

The circus has proved a big suc-
cess to perform a stationery and
smoothly. Every one of the perform-
ers seemed to have gained greater
confidence, too. A big feature was a

Freckles and Blisters

Are Easily Peeled Off

If you are bothered with any cutaneous
blemish, it's a poor plan to use face
powder or anything else to cover it up.
Too often this only emphasizes the defect.
Besides, it's much easier to remove the
disfigurement with ordinary mercuro-
lized wax. Applied nightly, the wax will gradu-
ally remove freckles, pimples, blotches,
liver spots, sallowness, red
blisters, or any surface eruption. The
affected cuticle is absorbed, a little each
day, until the clear, soft, youthful and
beautiful skin beneath is brought wholly
to view. Ask the druggist for one ounce
of mercurolized wax and use this like you
use cold cream. Remove in morning with
soap and water. Many who have tried
this simple, harmless treatment report
astounding results.

If troubled with wrinkles or furrows,
a wash lotion made by dissolving 1 oz.
powdered saffron in 1 pint witch hazel
will prove wonderfully effective.
