LEAFS LAND BOTH FROM JERSEY CITY

Demmitt Saves First Game by Great Catch of Line Drive -Second See-Saw Affair.

Clymer's Leafs did a lot to revive the faith of the fans Saturday when they registered a double win over the Skeeters, and pulled themselves two notches further up the International League ladder. The Leafs nosed out the Jersey City outfit by a 3 to 2 score in the first game and collective hitting in the fifth was mainly responsible for the win. The second fixture was a see-saw affair, in which everybody was taking healthy clouts at the ball; no less than six pitchens being worked in the game by both teams, and the Leafs, hitting more opportunely again, won, 11 to 7.

Hasily the feature of the day was Ray Demmitt's wonderful catch of Bues' drive in the fifth innings of the first game. There were two out, two on bases, and the heavy hitting Bues was counted on to win the game right there for the visitors. His hit went a mile a minute between centre and right and Demmitt was off with the crack of the bat and il looked as the he could never reach the ball. One last great effort, and the middle fielder just managed to grab and hold it, and this feat saved the game for us. Demmitt made a splendid impression his first day out.

The Skeeters jumped into a two-run lead in the first game, putting runs across in the third and fourth. Yelle counted the first after hitting cleanly toright, and Truesdale brought him home with a double to right centre. Hits by Bues and Wright, and Turner's out counted the other in the next session.

We got enough in the fifth to win, however. Roach opened with a hit, and Trout counted. After Cocreham had scratched a hit, Hollander brought Parent in with the winning run with a hit thru short.

main had scratched a hit, Hollander brought Parent in with the winning run with a hit thru short.

Again in the second game Jersey City Jumped into the game with a lead. Luque was as wild as the proverbial March hare. Truesdale, the first hitter, walked, and Barney hit past third. Bues then cleaned the bases with a home run clout to the scoreboard. We counted one in the second and four in the fourth on good clean hitting by Graham, Demmitt and Roach, putting us fwo ahead. The Skeeters came right back tho in their half and put across four. Wright walked as also did Yelle and Truesdale. Mc-Tigue's wild pitch and hits by Turner, Earry and Thorpe did the necessary for the visitors. Altho we scored three more in the seventh, we got enough to win the game in the sixth when Trout singled and Parent followed with a triple. Kocher put one in the same place as Parent and two were in Cooke than hit over the content of er put one in the same place as Parent and two were in. Cooke then hit over short for the third run. With two on in the seventh Kocher cleaned up with a

Motordrome Results

Corry, the Australian; Clarence Carmen, the world's motor-pace titleholder; Harold Cole and Henikman furnished many thrills in the third big race meet at the Motordrome, held on Saturday night. Corry earned the distinction of wresting the honors from a world's champion in three straight heats in the 25-mile motor-pace feature and the times made in these starts were the fastest yet for the track, five miles in 5.39 3-5, his best ten mile heat in 11.03. Both Corry and Carmen, however, struck the 59 miles per hour gait any number of times thruout these exciting races, but Carmen was held up on account of a balky motor, which practically accounted for his defeats.

The 109th Regiment paraded to the track, headed by Lieut-Col. W. T. Stewart.

A sensational sprint was pulled off by Henikman of Detroit in the final three mile heat of the motorcycle sweepstakes, one lap at the rate of 93 miles per hour, thereby wining out when he looked out of the running. Henikman won all three heats, Harold second. Norm Webster of the Riverside Club Norm Webster of the Riverside Club-captured his second race of the season, the one mile bicycle handicap, with Penny second and Bounsall third, Spencer, MacDonald and McMillan outlasted about-twenty others in the miss-and-out race, which went 4% miles.
